The Centers for Disease Control and Prevention estimates that one in 59 people under the age of 21 living in the United States are on the autism spectrum. Autism has become one of the fastest-growing developmental disorders in the country, yet it has historically been underfunded, misunderstood and under-researched.

Championed by Eagles Chairman and CEO Jeffrey Lurie, the Eagles Autism Challenge sets out to drive scientific breakthroughs and establish Philadelphia as a major center for autism research and care. One hundred percent of the participant-raised funds from the team's signature cycling and 5K run/walk event is directed to the groundbreaking research being conducted at leading Philadelphia institutions.

By providing critical resources, supporting scientific discoveries and helping to position Philadelphia as a base for autism research and care, the Eagles Autism Challenge is creating a major shift from *awareness* to *action*.

Led by Jeffrey Lurie, head coach Doug Pederson, players, coaches, alumni, Eagles fans and autism supporters, the second annual Eagles Autism Challenge raised more than \$3.5 million. A total of 3,645 participants came out to bike, run and walk on Saturday, May 19 at Lincoln Financial Field, while a remarkable 25,301 donors supported their fundraising efforts.

In partnership with the founding beneficiaries - Children's Hospital of Philadelphia, Drexel University, and Thomas Jefferson University and Jefferson Health - along with Philadelphia institutions specializing in autism research, the Eagles are bringing fresh ways of thinking to the field. Thanks to the \$2.5 million raised in 2018, a total of eight research projects have received grant funding for exploratory work in the field of autism. What we learn will be shared both nationally and globally so that we can continue to transform lives and advance autism research.

# EAGLES CHARITABLE FOUNDATION

Founded in 1995, Eagles Charitable Foundation (ECF) is a 501(c)(3) public charity committed to improving the health outcomes for youth in the Greater Philadelphia area.

ECF leverages the star power of the Philadelphia Eagles and uses its unique platform to focus on two specific areas of need in the community: **providing vital eye care for underserved youth** and **investing key resources into autism research and services**.

In order to have this monumental impact on the community, public and individual donors are called upon to lend a helping hand. The Eagles, corporations, foundations and kindhearted individuals have all played an integral role in supporting the more than one million children in the tri-state region that ECF has assisted since its inception.

## Eagles Glasses Lab

The Eagles Glasses Lab travels in tandem with the Eagles Eye Mobile and makes glasses for students on-site. It only takes a few minutes to make a pair of glasses. Students walk away with their world transformed right before their eyes.

## Autism Funding & Support

By working collaboratively with the Eagles and the team's corporate partners, in addition to strong donor support and a variety of fundraising efforts, ECF is contributing to groundbreaking discoveries in the field of autism.

## Give Kids Sight Day

Give Kids Sight Day provides free vision screenings and eyeglasses to uninsured and underinsured children in the surrounding region. ECF and partnering organizations typically treat more than 1,000 children on this single day of free vision care.

## EAGLES EYE MOBILE

# EAGLES IN THE COMMUNITY

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became owner in 1994, the Eagles have generously contributed more than \$25 million in charitable giving to organizations and neighborhoods throughout the Greater Philadelphia region. Under Lurie's direct leadership and guidance, the Eagles continue to strengthen and support these organizations through joint effort partnerships, all based on the belief that strong non-profits build strong communities.

The Eagles host a variety of events and campaigns that aim to inspire, motivate and educate. As a professional football team, the Eagles have a unique platform to reach the community and have long-lasting effects.

The team takes great pride in serving the fans, local non-profits and the region at large, because to the Eagles, making the Delaware Valley proud is just as important off the field as it is on it.

# GO GREEN PROGRAM

The Eagles believe the path to sustainability is a journey, not a destination. With the opening of Lincoln Financial Field in 2003, the team's road to becoming an eco-friendly operation began.

What started with a blue recycling bin under each employee's desk has grown into a company-wide sustainability program that is reducing the organization's overall impact on the environment in a financially-responsible manner.

With the help of partners and fans, the Eagles have been able to develop a multi-year curriculum and action plan that incorporates green energy production, recycling, composting, energy efficiency and reforestation, among other ventures.

The Eagles, who wear the color "green" with pride, are committed to serving as environmental stewards for a community that gives so much to them throughout the year.

## "SUSTAINABLE" SUCCESS

In December 2018, Lincoln Financial Field was awarded LEED Gold certification by the U.S. Green Building Council (USGBC) for implementing practical and measurable strategies and solutions aimed at achieving high performance in sustainable site development, water savings, energy efficiency, materials selection and indoor environmental quality.

The Eagles are the first professional sports team in the world to have received the prestigious ISO 20121 Event Sustainability Management System certification.

ISO 20121 is an international standard designed to help organizations involved in the events and hospitality industries integrate sustainability into management practices and processes.

## GO GREEN PARTNERS

## DID YOU KNOW?

The Eagles became the first team in the famed South Philadelphia sports complex to switch from plastic straws to an eco-friendly alternative made from 100% renewable resources.

Through the 2018 Field Goal Forest Program - in which PGW pledges to plant 10 trees for every field goal made - the Eagles will plant 280 trees in the Eagles Forest this year.

## SUSTAINABILITY & ENVIRONMENTAL BIRDSEED

- 10,456 solar panels have positioned Lincoln Financial Field as one of the greenest major sports facilities in the world
- Through the team's energy-from-waste program, the Eagles divert more than 99% of their waste from landfills
- The installation of water filtration fountains at the team's facilities has saved more than 174,000 water bottles since 2015
- With the help of The Conservation Fund, the Eagles offset 100% of all team travel through the "Go Zero" program
- The team supports reforestation efforts by planting trees in various cities, including the "Eagles Forest" in Bensalem, PA
- Bike Share program equips team employees with bicycles for convenient transportation from the practice facility to the stadium
- Cups and flatware are created from bio-plastics which biodegrade in just 45 days
- To conserve energy, lower-wattage light bulbs and automatic sensors/timers have been installed in team facilities
- Two onsite bio-digesters help decompose pre-consumer food waste to eliminate the need for landfill disposal

**Awarded LEED Gold certification in December 2018 by the U.S. Green Building Council for its operational commitment to sustainability.**

Home to the Super Bowl LII Champion Philadelphia Eagles, Lincoln Financial Field is a prime destination for world-class entertainment that offers a high-quality experience to fans in a safe, clean and friendly environment.

In addition to 10 Eagles home games each season, Lincoln Financial Field has become famous for showcasing high-profile sporting events and unique experiences throughout the year.

Since opening in August 2003, Lincoln Financial Field has hosted 34 star-studded concerts, in addition to welcoming some of the world's most distinguished soccer clubs and serving as the home to Temple University football and the historic Army-Navy game. ## STADIUM ENTERTAINMENT & FAN ENGAGEMENT

### PAVING THE ROAD TO VICTORY!

In May 2016, the "Eagles FanWalk" was constructed outside of the Northeast entrance gate at Lincoln Financial Field. This honorary walkway, which showcases the passion that fans have for the Eagles and their families, features more than 3,800 personally engraved pavers that line the way for guests entering the stadium. The "Eagles FanWalk" ensures that each member engraved across the pathway will have a special place in Eagles history.
