

EAGLES AUTISM FOUNDATION

Established on September 8, 2019, the Eagles Autism Foundation was formed to centralize the team's autism activities into one organization, while strengthening its charitable mission to assist individuals and families affected by autism. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for cutting-edge autism research and care programs has grown exponentially, raising more than \$40 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 31 people living in the United States are on the autism spectrum. Autism is a complex neurological and developmental condition that expresses itself differently in each individual. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community, the Eagles Autism Foundation is turning awareness into action.

\$40 Million+ Raised Since 2018

The Eagles Autism Challenge presented by Lincoln Financial is a one-day bike ride and family-friendly 5K run/walk that donates 100% of participant-raised funds to institutions conducting innovative autism research and care.

The event features three cycling routes – Wawa Classic 30-Mile Ride, Wawa Shorti 10-Mile Ride, Wawa Junior 10-Mile Youth Ride – the FreedomPay 5K Run/Walk and the West Sensory Walk, which offers families and participants a shorter course around the outside perimeter of Lincoln Financial Field.

Due in large part to proceeds raised by the team's signature event, the Eagles Autism Foundation has funded 169 research projects and community grants that specialize in treating and caring for those in the autism community.

EAGLES SENSORY RESOURCES

On August 4, 2019, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home venue.

Certified by KultureCity as a sensory-inclusive stadium, Lincoln Financial Field's Eagles Sensory Room presented by Children's Hospital of Philadelphia (CHOP) promotes a calm and supportive environment for guests and fans with sensory challenges.

In 2024, the Mobile Sensory Unit was introduced in partnership with CHOP and KultureCity to provide another resource for individuals with sensory needs. In addition, Lincoln Financial Field provides trained staff, visual schedules, fidgets, and visual prompts to assist those in need, along with sensory bags that can be requested at fan services.

INCLUSION AT SUPER BOWL LIX

Inclusion and accessibility were brought to the NFL's biggest stage during the week of Super Bowl LIX in New Orleans.

In collaboration with KultureCity and the NFL, All Abilities Clinics were built into the Super Bowl Experience at the New Orleans Ernest N. Morial Convention Center. Trained volunteers from local universities provided real-time assistance for the 450 attendees, while also becoming ambassadors for the autism community.

In partnership with KultureCity, 1,200 Eagles co-branded sensory bags were made available to attendees at both the New Orleans Ernest N. Morial Convention Center and Caesars Superdome.

Guests attending Super Bowl LIX at Caesars Superdome had the opportunity to access two sensory rooms during the game, along with a visual schedule created by the Eagles Autism Foundation's Board Certified Behavior Analyst.

The Eagles Radiothon presented by Firsttrust Bank and The Green Family Foundation is a multi-day auction held on SportsRadio 94WIP that offers fans the opportunity to bid on exclusive sports and entertainment experiences involving their favorite Eagles players and 94WIP radio personalities.

Designed specifically for guests with autism and developmental disabilities, Eagles Huddle Up for Autism has raised more than \$1 million for CHOP's Center for Autism Research since 2009. The family-friendly event is held annually at Lincoln Financial Field.

Through the Eagles Autism Foundation 50/50 Raffle presented by WBE Line Services, one lucky fan at every Eagles home game walks away a winner, with the other half supporting the Eagles Autism Foundation. The largest single-game jackpot – \$421,800 – occurred during the 2025 NFC Championship Game.

EAGLES AUTISM FOUNDATION PRACTICE JERSEYS

The Eagles dedicate a training camp practice each season to the Eagles Autism Foundation by wearing specially designed jerseys to elevate the Foundation's platform and showcase the team's commitment of turning autism awareness into action.

The exclusive, one-of-a-kind jerseys feature Energy Green numbers and nameplates, along with the Eagles Autism Foundation logo prominently displayed on the shoulder. Each jersey is signed by the player who wore it and is then auctioned through the annual Eagles Radiothon.

My Cause My Cleats is an NFL initiative that empowers players to showcase their commitment to the causes they support through creative artwork and custom designs on their game cleats.

TRAINING CAMP PUBLIC PRACTICE

Training camp practice at Lincoln Financial Field is open to the public and serves as a vehicle to drive critical funds for autism research and care. All ticket proceeds from the practice, yard sale, and merchandise benefit the Eagles Autism Foundation.

TEAM 62 AT THE OCEAN DRIVE

To help raise funds for the Eagles Autism Foundation, Eagles Legend Jason Kelce hosts an annual celebrity bartending event at the Ocean Drive in Sea Isle City, NJ. Through its first five years, the event has raised more than \$2.4 million for cutting-edge autism research and care programs.

NEURODIVERSE GAMEDAY STAFF

To further the team's ongoing commitment to creating employment opportunities for the autism community, the Eagles Autism Foundation matches skills and abilities with the most appropriate gameday roles. Resources, such as a Board Certified Behavior Analyst, are provided to the more than 30 individuals involved in the employment program.

ALL ABILITIES CLINICS

The All Abilities Clinics presented by Nouryon consist of football, cheer, drum, STEM, and fitness classes that offer accessible elements to members of the autism community. Clinics enable those with special needs to participate alongside their peers. The experience includes trained volunteers, smaller group sizes, a visual schedule for step-by-step guidance on how to prepare, and quiet spaces.

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have been a constant presence in the community. Their commitment to supporting the Greater Philadelphia region, and Eagles fans everywhere, authentically presents itself in everything the team does off the field. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles set out to inspire, motivate, and effect change.

By leveling the playing field for children of all ages and backgrounds, forming collaborative partnerships with area-based nonprofits, providing grants to social justice organizations, and more, the Eagles are giving back in tangible ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically designated as off-days for members of the team.

Many Eagles players use this opportunity to give back to residents of the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact on the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each group's work is being amplified. Since 2013, the team has welcomed 30 organizations to the Eagles Care family.

EAGLES EYE MOBILE

The Eagles Eye Mobile, powered by Vision To Learn, travels to communities throughout the School District of Philadelphia, offering comprehensive eye exams and, if needed, prescription eyeglasses and follow-up care at no cost to families.

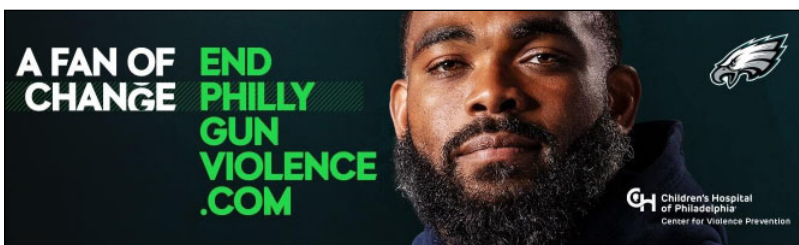

The Eagles Eye Mobile, which was founded by former Eagles Pro Bowl guard Jermaine Mayberry, has impacted more than one million children in the Greater Philadelphia area since 1996.

EAGLES SOCIAL JUSTICE FUND OF THE PHILADELPHIA FOUNDATION

Established in 2018, the Eagles Social Justice Fund was formed to provide grants to organizations that work to reduce barriers to equal opportunity, with a specific focus on education, community and police relations, improving the criminal justice system, and other initiatives targeting poverty, racial equality, and workforce development in the Greater Philadelphia area.

The Eagles Social Justice Leadership Council is led by a panel of players and club executives who work to identify potential grant recipients and secure contributions to the Fund, which is built through one-to-one matching donations by players and the club.

Through the first seven years, the program has provided area-based organizations with more than \$2.6 million in funding.

The Eagles' anti-gun violence campaign is aimed at combating a serious issue that thousands of Philadelphia residents face in their neighborhoods. In conjunction with local nonprofits and the City of Philadelphia, the team created a resource website, EndPhillyGunViolence.com, which has been designed to aggregate information and steer young people to proven and effective help.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly and setting the next generation up for success on the field.

"FLYING FORWARD" WITH INNOVATION

As part of the team's ongoing commitment to address the disparities in sports equipment for young female athletes, the Eagles and Operation Warm's FLY:FWD sports bra line has made it possible for girls of all ages in the Philadelphia area to compete at the highest level.

Launched in 2023, the FLY:FWD line has been designed specifically for young girls and women competing in sport. The idea to manufacture the innovative product line was originally put into place upon learning that the lack of female sports equipment,

specifically sports bras, is a major barrier to entry and can keep young girls from joining and remaining in sports.

In celebration of National Girls & Women in Sports Day on February 5, 2025, the Eagles expanded their outreach into New Orleans – the site of Super Bowl LIX – by equipping the local Girls on the Run chapter with 216 FLY:FWD sports bras.

The Eagles were the first NFL team to support female athletes through the donation of sports bras.

GIRLS FLAG FOOTBALL INITIATIVE

To support and promote female participation in sport, the Eagles launched the state's first girls high school flag football league in 2022, featuring schools from the Philadelphia Public and Catholic Leagues. Through the first four seasons, the program expanded from 16 teams to 93, with an additional 38 teams in South Jersey.

On September 18, 2025, history was made when the Pennsylvania Interscholastic Athletic Association (PIAA) Board of Directors unanimously declared girls flag football as an officially sanctioned sport in the Commonwealth of Pennsylvania. A sport is considered for sanctioning when it adopts a set of operational and safety standards set forward by a governing body. In the case of girls flag football, it

was required that there be at least 100 participating teams across the state. In the three years leading up to the sport being sanctioned, the Eagles worked collaboratively with the Pittsburgh Steelers to meet the state's 100 team threshold.

The Eagles' support of girls flag football also includes the facilitation of learn-to-play, coaching, and officiating clinics, a girls flag sports performance combine, girls flag jamborees, and the girls flag championships, which have been hosted at the NovaCare Complex and Lincoln Financial Field.

The Eagles Girls Flag Football League has more than 1,600 participants across the eastern side of Pennsylvania.

YOUTH FOOTBALL ACADEMY

Held at locations across Pennsylvania and New Jersey, the Eagles Youth Football Academy is designed for all skill levels and delivers the ultimate Eagles youth football experience. Participants receive instruction and training from Eagles players, team legends, and Eagles Youth Football Academy staff at numerous locations throughout the year.

HIGH SCHOOL COACH OF THE WEEK

High school football coaches from the Philadelphia region are recognized each week during the season for their character, integrity, community support, commitment to player health and safety, and on-field success. Honorees are then considered for the Eagles High School Coach of the Year Award and the national Don Shula NFL High School Coach of the Year Award.

MOBILE JUNIOR PRO CLINICS

Mobile Junior Pro is an introductory level football clinic for elementary and middle school-aged children. The clinics emphasize skill development and fundamentals, aiming to introduce the sport of football in a fun and engaging way. Clinics often travel to schools, making them accessible to a wide range of children and feature appearances by Eagles players and team legends.

The bond shared between the Eagles and their fans has always been special. It is a relationship that has existed for generations and is one that continues to grow stronger with each passing year.

The Eagles, inspired by the year-round support they receive, make it a priority to further connect with their global fanbase through unique experiences and programs.

Annual events like Women’s Football Festival, Yoga on the Field, the Eagles Draft Party, Kids Club activities, and training camp public practices, among others, have brought fans and their families closer to the team. These touchpoints have even expanded internationally through the NFL’s Global Markets Program where the team has built brand awareness and fandom in Australia, Brazil, Ghana, and New Zealand.

On and off the field, throughout the year, in Philadelphia and beyond, the Eagles are proud to celebrate their fans in a variety of ways.

The Eagles’ sustainability journey began in 2003 with the opening of Lincoln Financial Field. Since then, the team’s Go Green program has transformed into a company-wide, internationally recognized effort that works year-round to reduce the organization’s environmental footprint in a financially responsible manner.

With the help of partners and fans, the Eagles have developed a multi-operational action plan that incorporates green energy production, recycling, composting, energy efficiency, ocean conservation, and reforestation, among other ventures.

The Eagles, who wear the color “green” with pride, are committed to serving as proud environmental stewards for a community that gives so much to them throughout the year.

PARTNERS IN SUSTAINABILITY

“SUSTAINABLE” SUCCESS

The Eagles are the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

ISO 20121 is an international standard designed to help organizations in the event and hospitality industry integrate sustainability into their management operations.

In June 2024, Lincoln Financial Field received LEED Platinum certification from the U.S. Green Building Council for its commitment to operational sustainability.

Through design, construction, and operation practices that improve environmental and human health, LEED-certified buildings are helping to make the world a more sustainable place.

In September 2020, Lincoln Financial Field achieved Global Biorisk Advisory Council (GBAC) STAR accreditation. Under the guidance of GBAC, a Division of ISSA, the worldwide cleaning industry association, Lincoln Financial Field was recognized for implementing stringent protocols in the areas of cleaning, disinfection, and infectious disease prevention.
