As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

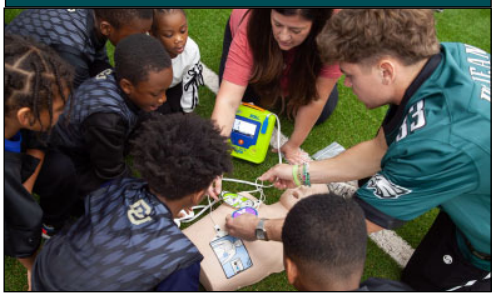

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have been a constant presence in the community. Their commitment to supporting the Greater Philadelphia region – and Eagles fans everywhere – authentically presents itself in everything the team does off the field. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles set out to inspire, motivate, and effect change.

By leveling the playing field for children of all ages and backgrounds, forming collaborative partnerships with area-based nonprofits, providing grants to social justice organizations, and more, the Eagles are giving back in tangible ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically designated as off-days for the players.

Many of them use this opportunity to give back to residents of the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact on the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each group's work is being amplified. Since 2013, the team has welcomed 32 organizations to the Eagles Care family.

PLAYGROUND BUILD

The annual Playground Build transforms Philadelphia schoolyards into safe and supportive environments for students to play, learn, and dream.

The Eagles partner with Mural Arts Philadelphia to bring beauty, creativity, and opportunity to public schools in need across the city.

Enhancements include murals, new benches and tables, all-inclusive play structures, and colorful gardens.

A FAN OF CHANGE

In 2018, the Eagles Social Justice Fund was established as a collaborative effort between players and club executives to reduce barriers to equal opportunity, with a focus on education, community and police relations, criminal justice reform, and other initiatives addressing poverty, racial equality, and workforce development in the Greater Philadelphia area.

Now known as A Fan of Change, the initiative has granted nearly $2.9 million to organizations working to build stronger, safer, and more resilient communities. Through awareness, investment, player engagement, and community and fan activation, the Eagles support efforts across four key pillars: youth sports, violence prevention, mental health support, and mentorship.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly and setting the next generation up for success on the field.

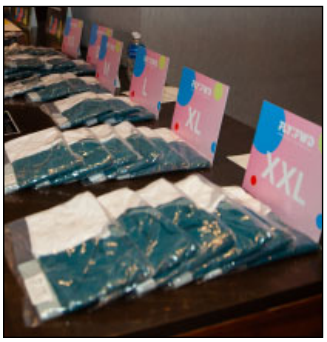

"FLYING FORWARD" WITH INNOVATION

As part of the team's ongoing commitment to address the disparities in sports equipment for young female athletes, the Eagles and Operation Warm's FLY:FWD sports bra line has made it possible for girls of all ages in the Philadelphia area to compete at the highest level.

Launched in 2023, the FLY:FWD line has been designed specifically for young girls and women competing in sport. The idea to manufacture the innovative product line was originally put into place upon learning that the lack of female sports equipment, specifically sports bras, is a major barrier to entry and can keep young girls from joining and remaining in sports.

The Eagles were the first NFL team to support female athletes through the donation of sports bras.

GIRLS FLAG FOOTBALL

To support female participation in sport, the Eagles launched the state's first girls high school flag football league in 2022, featuring schools from the Philadelphia Public and Catholic Leagues.

Today, the Eagles Girls Flag Football League has more than 1,600 participants across Southeastern Pennsylvania and Southern New Jersey.

In September 2024, history was made when the Pennsylvania Interscholastic Athletic Association (PIAA) unanimously declared girls flag football an officially sanctioned sport in the Commonwealth of Pennsylvania. Two years later, in May 2026, the New Jersey State Interscholastic Athletic Association (NJSIAA) voted to sanction girls flag football as well, a decision that was made in large part to the team's promotional efforts in the tri-state area.

The Eagles' support of girls flag football also includes the facilitation of learn-to-play, coaching, and officiating clinics, a girls flag sports performance combine, girls flag jamborees, and the girls flag championships, which have been hosted at the Jefferson Health Training Complex and Lincoln Financial Field.

The team has holistically supported the expansion of girls flag football over the years by meeting a variety of needs to help grow the game.

YOUTH FOOTBALL ACADEMY

Held at locations across Pennsylvania and New Jersey, the Eagles Youth Football Academy is designed for all skill levels and delivers the ultimate Eagles youth football experience. Participants receive instruction and training from Eagles players, team legends, and Eagles Youth Football Academy staff at numerous locations throughout the year.

HIGH SCHOOL COACH OF THE WEEK

High school football coaches from the tri-state region are recognized each week during the season for their character, integrity, community support, commitment to player health and safety, and on-field success. Honorees are then considered for the Eagles High School Coach of the Year Award and the national Don Shula NFL High School Coach of the Year Award.

MOBILE JUNIOR PRO CLINICS

Mobile Junior Pro is an introductory level football clinic for elementary and middle school-aged children. The clinics emphasize skill development and fundamentals, aiming to introduce the sport of football in a fun and engaging way. Clinics often travel to schools, making them accessible to a wide range of children and feature appearances by Eagles players and team legends.

9/11 DAY MEAL PACK EVENT

WEDNESDAY, SEPTEMBER 9

In remembrance of those impacted by the tragic events of September 11, 2001, the Eagles joined 9/11 Day and thousands of volunteers for a large-scale meal pack event at Lincoln Financial Field on Wednesday, September 9.

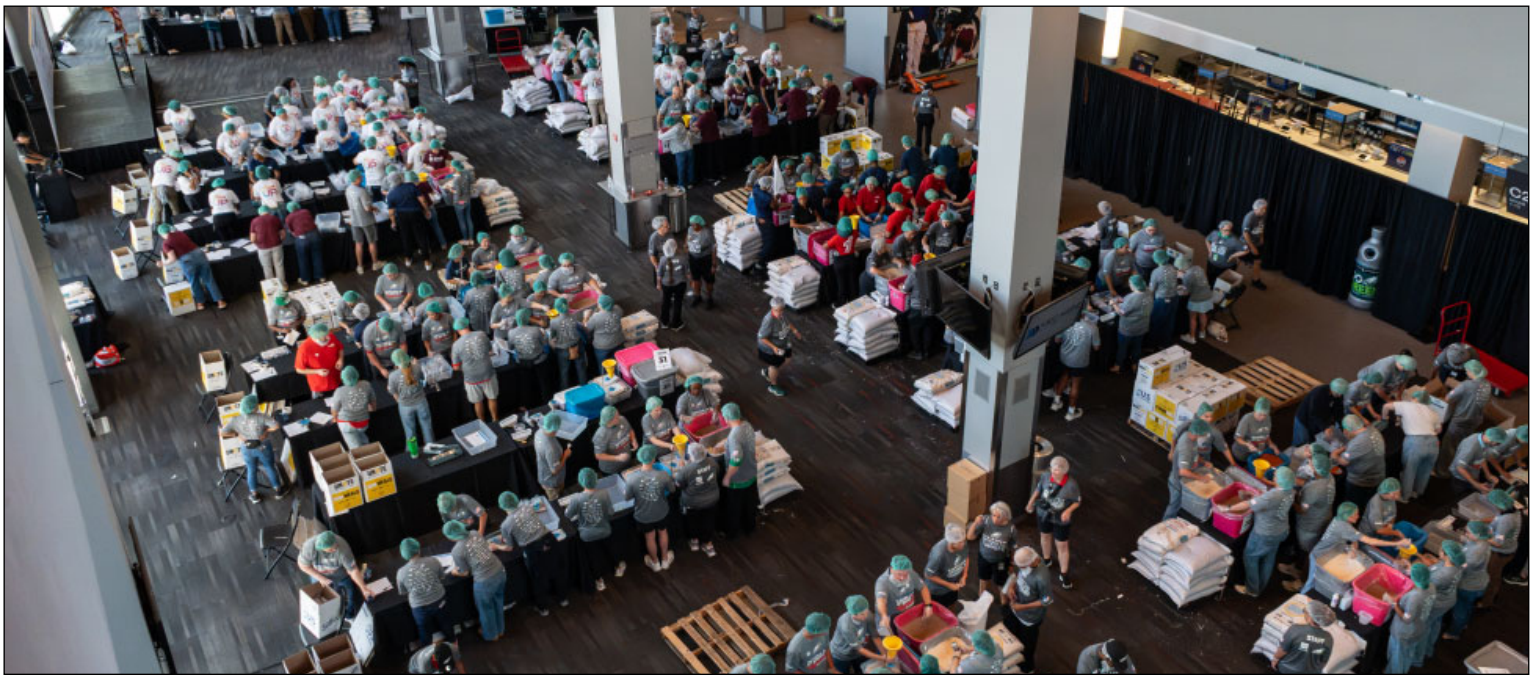

The collective effort resulted in more than one million meals for Philabundance, a local food bank dedicated to addressing food insecurity throughout the region.

The team's annual day of service – which marked its fifth consecutive meal pack event – paid tribute to the 25th year of that day in our country's history.

SPECIAL OLYMPICS PA

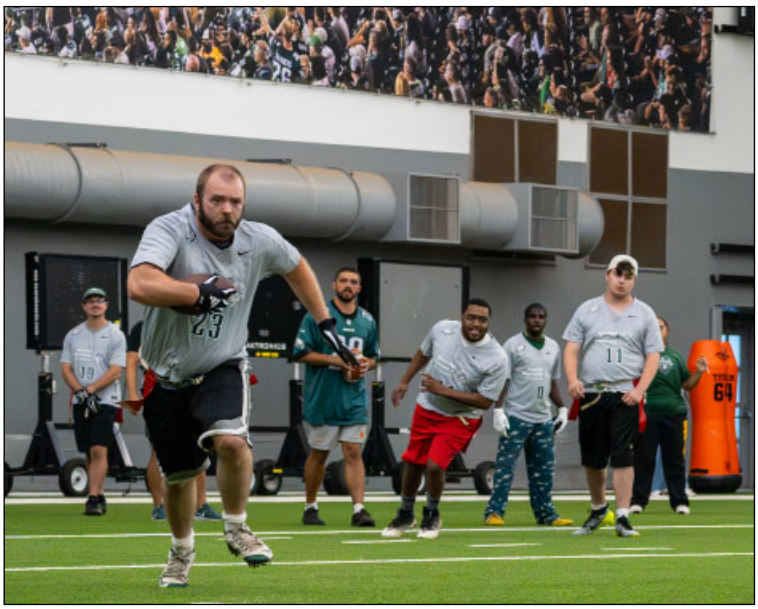

TUESDAY, SEPTEMBER 15

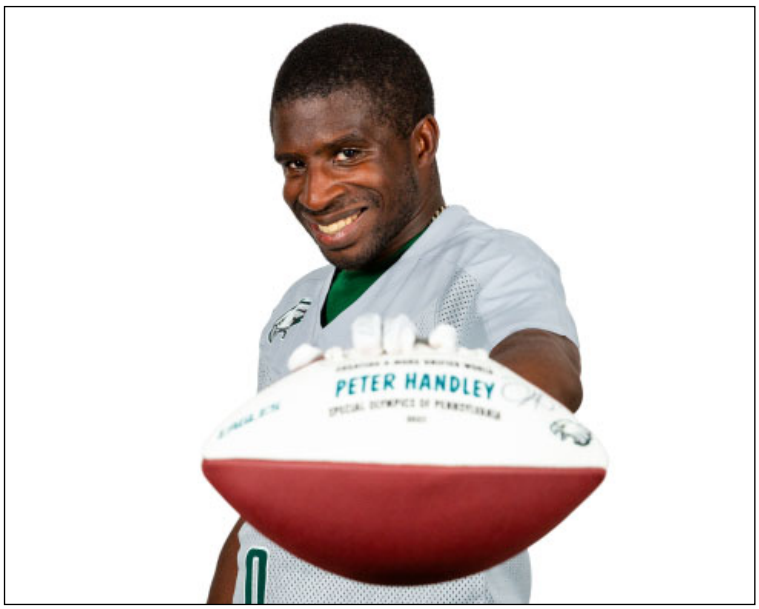

The Eagles welcomed Special Olympics Pennsylvania's unified flag football team to the Jefferson Health Training Complex on Tuesday, September 15, to celebrate the dedication, teamwork, and community they bring to the field and beyond.

The evening included practice, an exclusive photo shoot, uniform reveal, and a meet-and-greet with Eagles players.

It also served as an official send-off as the team would go on to travel to Tennessee for the Eagles-Titans game and compete against Special Olympics Tennessee's unified flag football team at the Titans' practice facility.

MOBILE JUNIOR PRO CLINIC

WEDNESDAY, SEPTEMBER 23

To introduce students to the game of football, the Eagles hosted a Mobile Junior Pro football clinic at Stephen Decatur School on Wednesday, September 23.

Eagles players led students through a series of non-contact drills focused on the fundamentals of football, creating a fun and memorable experience for all participants.

Mobile Junior Pro is an introductory football program for elementary and middle school-aged children that makes the sport more accessible, encourages participation, and helps young athletes develop a passion for the game.

AED DONATION & CPR TRAINING

TUESDAY, SEPTEMBER 29

The Eagles visited Olney High School on Tuesday, September 29, to educate students and faculty on heart health, lifesaving skills, and emergency preparedness.

As part of the visit, American Heart Association representatives provided hands-on AED and CPR training, equipping students with the vital tools needed to respond in the most critical moments of a cardiac emergency.

The Eagles presented the American Heart Association with a $10,000 donation to help advance CPR education and training so more people are prepared to act when it matters most.

PCA LEADERSHIP WORKSHOP

TUESDAY, OCTOBER 6

The Eagles and Positive Coaching Alliance (PCA) hosted student-athletes from Padua Academy and Ursuline Academy on Tuesday, October 6, for a leadership workshop focused on lessons that extend beyond the field.

Through interactive activities and conversations, students learned that being part of a team can teach them how to communicate effectively, work together, support one another, and take accountability.

Participants also discussed how these experiences can help build confidence and meaningful relationships.

CHOP VISIT

TUESDAY, OCTOBER 13

The Eagles and local nonprofit Ryan's Case for Smiles hosted a pajama party at Children's Hospital of Philadelphia (CHOP) on Tuesday, October 13.

Players helped create a fun, memorable experience by spending time with patients, handing out Eagles gear, and signing autographs. Eagles Cheerleaders also showed their support by making Kendra Scott friendship bracelets with those in attendance.

The visit served as a special touchpoint between the team and CHOP patients and families.

DIGITAL LEARNING WITH HOPEPHL

TUESDAY, OCTOBER 20

The Eagles and Xfinity teamed up to support HopePHL community members at the Maynes Family Digital Learning Lab in West Philadelphia on Tuesday, October 20.

The event connected families with valuable resources and support to help them build skills and pursue new opportunities.

As part of the event, the Eagles made a donation to HopePHL through the team's A Fan of Change initiative. HopePHL also received the NFL Foundation's Digital Divide grant, which will provide community members with greater access to technology and digital learning opportunities.

FALL FESTIVAL

TUESDAY, OCTOBER 27

The Eagles brought plenty of fall fun to Lincoln Financial Field on Tuesday, October 27. The special event, benefiting the Boys & Girls Club of Camden County and foster care organization Dream Drive, featured special appearances by Eagles players, SWOOP, Eagles Cheerleaders, and the Eagles Drumline.

From carnival games and a bungee jump to a corn maze, face painting, and pumpkin decorating, the afternoon was filled with excitement. Attendees decorated their own candy bags, took in a performance by the Eagles Drumline, and enjoyed special treats delivered by the Philly Pretzel Factory truck.

ROOKIE MANNA VISIT

MONDAY, NOVEMBER 2

Eagles rookies visited MANNA's Center City location on Monday, November 2, to help prepare medically tailored meals for local residents facing chronic illnesses.

The rookies assisted with meal preparation efforts, which included bagging breakfast sandwiches and packaging bread rolls.

Founded in Philadelphia and a proud member of the Eagles Care family, MANNA has been serving the community for decades by using nutrition to help improve the health and quality of life for those in need.
