

The Eagles Cheerleaders serve as entertainers and global brand ambassadors for the organization.

In addition to performing for nearly 70,000 fans at Eagles home games, they appear at some of the world's most distinguished events, most recently performing at FIFA World Cup 2026 matches, in Brazil for the historic first-ever NFL game in South America, and at Super Bowl LII and LIX.

The 32 members of the team are socially conscious individuals with inspiring life stories, utilizing their platforms to make an impact through humanitarian work and participating in overseas goodwill military tours.

Careers of current cheerleaders include a grants manager and field representative for the United States Senate, a data scientist, an oncology clinical study manager, and a Delaware Army National Guard service member.

The squad celebrates diversity, authenticity, and creates meaningful connections with fans, such as engaging with today's youth and furthering the mission of the Eagles Autism Foundation.
