Super Bowl Champion: 2017 (LII)

Jeffrey Lurie embarks on his 28th season as Chairman and Chief Executive Officer of the Philadelphia Eagles. Lurie purchased the franchise on May 6, 1994, and assembled an organizational infrastructure that reflected the pride and passion of the region, where tireless work ethic and innovation deeply coincides with consistent results. This commitment to excellence at the highest level launched an unprecedented era of success, ultimately cementing the foundation of the first Super Bowl Championship in team history, when the Philadelphia Eagles defeated the New England Patriots, 41-33, in **Super Bowl LII** on February 4, 2018.

The Eagles, today regarded among the most prominent franchises in professional sports, began their ascent during the first full year of Lurie's ownership in 1995 and have since grown into a customary presence in the NFL's postseason. The Eagles are one of nine teams with multiple Super Bowl appearances (XXXIX and LII) since 2004 and lead the NFC (tied for second overall) in conference title games (six) dating back to 2001. In addition, the Eagles have captured nine of their 11 all-time NFC East Championships since 2001, which leads the division in that span.

Overall, the Philadelphia Eagles have made the playoffs 15 times under Lurie's direction and are tied for the fifth-most postseason bids in the NFL since the turn of the century (13), including trips in three of the last four seasons. During that stretch, the Eagles became just the fourth franchise to win a Super Bowl and then follow it with back-to-back playoff appearances since 1994, when the league's salary cap was introduced. Furthermore, including the postseason, the Eagles own the sixth-highest winning percentage (.577, 208-152-2) in the NFL since 2000.

Lurie's blueprint for success has had a profound impact on the field, leading to a greater overall winning percentage (.546, 250-208-3), more playoff games (29), and more playoff victories (15) than all prior ownership groups combined. That model, however, is not just limited to football, as the Philadelphia Eagles organization has wholly embraced a championship mentality in all aspects of its operations, especially in the community.

EAGLES AUTISM FOUNDATION

A thoughtful and compassionate philanthropist with family ties to autism, Lurie is devoted to raising critical research funds for the developmental disorder and has leveraged his resources as a professional sports owner to turn autism awareness into action.

In 2019, Lurie expanded on this commitment by launching the team's signature philanthropic initiative – the Eagles Autism Foundation – to help drive scientific breakthroughs and establish Philadelphia as a major center for autism research and care. The foundation has centralized all of its autism efforts to create a larger impact and has raised more than $10 million for institutions focused on autism research.

Through the Eagles Autism Foundation, the organization has been viewed nationally as a progressive leader in the autism community. The Eagles became one of the first sports franchises in the country to build a state-of-the-art sensory room, presented by the Children's Hospital of Philadelphia, and received Sensory Inclusive Certification for Lincoln Financial Field in partnership with Kulture City. The Eagles also became the first professional sports team to partner with Popcorn for the People,

On February 4, 2018, Lurie helped deliver the first Super Bowl championship in franchise history to the city of Philadelphia. The Eagles defeated the New England Patriots, 41-33, in Super Bowl LII at U.S. Bank Stadium in Minneapolis, MN.

Lurie poses for a picture with participants at the finish line of the second-annual Eagles Autism Challenge on May 18, 2019. The Eagles Autism Foundation has raised more than $10 million to support autism research and care throughout the Philadelphia region.

EAGLES SUPER BOWL NOTES

- The Philadelphia Eagles are one of nine NFL franchises (one of four in the NFC) with multiple Super Bowl appearances (XXXIX and LII) since the 2004 season, joining the New England Patriots (seven), Pittsburgh Steelers (three), Seattle Seahawks (three), Denver Broncos (two), Indianapolis Colts (two), Kansas City Chiefs (two), New York Giants (two) and San Francisco 49ers (two).
- The Eagles are one of only four NFL teams to win a Super Bowl and then follow it with back-to-back playoff appearances since 1994, when the league's salary cap was introduced (also New England, San Francisco and Seattle).

a nonprofit organization dedicated to creating meaningful employment for those with autism and developmental disabilities. Most notably, the foundation's annual cycling and 5K run/walk event – the Eagles Autism Challenge presented by Lincoln Financial Group – contributes 100 percent of participant-raised funds to autism research and care.

To ensure the most transformational projects are funded through the Eagles Autism Foundation, Lurie organizes a nationally recognized independent peer review panel each year that is tasked with evaluating and approving submitted proposals. A total of 43 research projects, postdoctoral fellowships and community grants have been funded for exploratory work in the field of autism thanks to the foundation.

On May 8, 2019, Lurie was presented the Commitment to Cures Award by the American Brain Foundation for his ongoing work to find cures for neurodevelopmental diseases and disorders.

Additionally, Lurie is a director of the NLM Family Foundation, which devotes significant resources to autism research and education, and he also established the Lurie Family Foundation to strengthen the efforts toward autism research.

COVID-19 RELIEF EFFORTS

In response to the coronavirus pandemic, Lurie, in consultation with leading institutions, carefully assessed the short-term and long-term needs of communities and frontline workers combating the global health crisis and continues to commit substantial resources toward philanthropic aide.

Lurie contributed $1 million to Penn Medicine on April 3, 2020, to establish the COVID-19 Immunology Defense Fund, which is an emerging research program that aims to address critical needs as the pandemic evolves. The priorities of the program range between creating rapid diagnostic testing, finding drugs that work against the virus, and developing potential vaccines.

On April 21, 2020, Lurie and the Eagles announced $1 million in donations helping COVID-19 relief efforts throughout the Philadelphia area, focusing on providing critical assistance to the well-being of essential healthcare workers and their families, as well as supporting local businesses. The funds included $300,000 to purchase N-95 masks for local healthcare systems; $250,000 to the American Red Cross to maintain a sufficient blood supply; $225,000 in gift cards to local businesses for essential healthcare workers; $100,000 to Thomas Jefferson University Hospital's Better Together Fund, which assists employees and students facing unforeseen hardships during the crisis; $55,000 to Vision To Learn, which will ensure continuity of the Eagles Eye Mobile program in the region's schools; $35,000 to the JFCS of Greater Philadelphia to expand services for the Helping Healthcare Heroes Support Group; and $35,000 to the Uplift Center for Grieving Children, helping expand mental health services for essential healthcare workers and their families.

The Eagles have also planned 11 community blood drives at Lincoln Financial Field since the start of the pandemic. To date, these drives have yielded enough pints of blood to help nearly 2,000 patients.

Additionally, on June 5, 2021, the Eagles partnered with the City of Philadelphia and the Philadelphia Fire Department on a community-wide vaccination initiative. The combined effort, which is supported by the Eagles Eye Mobile, involves several clinics that will be offering free COVID-19 vaccines to residents throughout the summer.

CHAMPIONS IN THE COMMUNITY

One of Lurie's first philanthropic endeavors was the creation of the team's nonprofit charitable wing in 1995. For 20 years, the Eagles Youth Partnership served more than 50,000 at-risk children in the Greater Philadelphia region annually with a focus on health and education programming. In 2015, Lurie oversaw the Eagles Youth Partnership's transition to the Eagles Charitable Foundation that now provides children in the

local community with greater access to vision care and autism research and services. Its signature program – the Eagles Eye Mobile – travels to local schools to provide free eye exams and prescription eyeglasses to under- and uninsured students in partnership with Vision To Learn.

Under Lurie's direction, the Eagles launched the groundbreaking Go Green initiative in 2003 aimed at reducing the organization's footprint on the environment and creating programs that improve quality of life in the Philadelphia region. In December 2018, Lincoln Financial Field was awarded LEED Gold certification by the U.S. Green Building Council. Additionally, the Eagles are the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

In 2011, in acknowledgment of the organization's commitment to the community, as well as their Tackling Breast Cancer and Go Green campaigns, the Eagles were presented with the coveted Sports Team of the Year Award by Beyond Sport.

Finally, over the past three years, the Eagles Social Justice Council, a committee of select players and Eagles staff, awarded over $1.3 million to local Philadelphia organizations working to improve education, mentoring, health services, criminal justice reform, reentry programs, and workplace development.

During the 2018 offseason, Lurie was honored by the Fritz Pollard Alliance with the Paul "Tank" Younger Award. The award is granted annually to an NFL executive, coach, or owner who promotes gender and racial diversity. Lurie's efforts to foster civic responsibility throughout the organization have also led the Eagles to be recognized by many for supporting social justice and human rights initiatives. Lurie was the recipient of the Torch of Liberty Award conferred by the Anti-Defamation League of Philadelphia and a year later was honored by Philadelphia's Operation Understanding, an acclaimed group that advances interracial harmony among future leaders of the African American and Jewish communities.

PROGRESSIVE LEADERSHIP

Widely considered one of the most progressive owners in professional sports, Lurie embraces innovative thought. His commitment to enhancing every element of the organization through forward-thinking decisions has been a hallmark of his tenure as Chairman and Chief Executive Officer.

Lurie invests in both people and ideas. Throughout his ownership, he has gone beyond traditional football practices by focusing on infusing talented individuals from other industries into the Eagles' business operations. As a result, the Philadelphia Eagles have become a leader in professional sports with regards to gender diversity in the workplace.

The Eagles' organic effort toward staying ahead of the curve and mining for value where others may not see it has also been fundamental to the football team's success over the years.

During the 2021 offseason, Lurie hired a 39-year-old first-time head coach in **Nick Sirianni** – the second-youngest head coach in Eagles history – following a highly productive, three-year stint as the Indianapolis Colts' offensive coordinator. Sirianni, who has helped coach three different players to *Associated Press* Comeback Player of the Year honors, guided the Colts to numerous top-10 rankings in major offensive categories.

Doug Pederson was hired by the Eagles as a first-time head coach during the 2016 offseason. In his second year at the helm, Pederson led the team to its first Super Bowl Championship in franchise history when the Philadelphia Eagles outdueled the New England Patriots in **Super Bowl LII**.

In 1999, Lurie found a match with former Green Bay Packers quarterbacks coach **Andy Reid**, who at 40 years old took on a lead role for the first time in his career and was also the second-youngest head coach in the NFL at the time of his hiring. Reid enjoyed a 14-year stay with Philadelphia (franchise record) and became the winningest head

coach (140-102-1, .578 – including playoffs) in Eagles history. Named the 2002 NFL Coach of the Year by the *Associated Press*, Reid led the team to nine postseasons, which included five conference title games and an appearance in Super Bowl XXXIX.

Lurie's first head coaching hire, **Ray Rhodes**, came to Philadelphia in 1995 as just the third African American head coach in modern NFL history. In his first season with the Eagles, Rhodes guided the team to a 10-6 regular-season record and playoff berth and earned *Associated Press* NFL Coach of the Year honors.

Each of Lurie's first four head coaching hires have achieved double-digit win totals and playoff appearances within their first two seasons.

Lurie, who was named NFL Owner of the Year by *Sporting News* in 1995 and by *Pro Football Insider* in 2000, currently serves on numerous NFL committees, including the Finance Committee, Media Committee, International Committee, and the Super Bowl & Major Events Advisory Committee.

BUILDING A NEW HOME

After purchasing the Eagles, Lurie recognized that the organization's facilities needed a total reconstruction, which required the design and relocation of its office headquarters, practice facility, and stadium. He immediately committed to providing the franchise with everything it needed to succeed and constructed two state-of-the-art facilities in South Philadelphia – the NovaCare Complex (2001) and Lincoln Financial Field (2003).

Although Lincoln Financial Field was erected specifically to house its primary tenant, the Philadelphia Eagles, Lurie also created a multidimensional event destination that could hold a wide variety of events. Fittingly, the first ticketed event at the new stadium was a soccer match between Manchester United and FC Barcelona in August 2003, followed by a Bruce Springsteen concert soon after.

Since then, Lincoln Financial Field has continued to evolve with an ever-changing entertainment landscape and underwent a two-year, $125 million revitalization in 2013. Over the years, the venue has hosted high-profile events including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy game, Monster Jam, Temple University football games, and more.

FILM CAREER

Prior to purchasing the Philadelphia Eagles, Lurie joined General Cinema Corporation, a major movie theater company founded by his grandfather, Philip Smith. Two years later, he started Chestnut Hill Productions and produced a variety of theatrical and television movies. In 2008, Lurie established Screen Pass Pictures and served as an executive producer of *Inside Job*, the 2010 documentary film, which earned the Academy Award for Best Documentary Feature, and *Inocente*, which earned an Academy Award for Best Short Documentary in 2013. Most recently, Lurie formed Play/Action Pictures to produce socially impactful documentary films, including *Totally Under Control* (2020), *Summer of Soul* (2021), *MLK/FBI* (2020), and *The Meaning of Hitler* (2020).

PERSONAL

Lurie's passion and love of sports began when he was a young boy growing up outside of Boston. Lurie became an avid fan of the NFL and all the major leagues after watching the first ever sudden-death overtime NFL Championship between the Baltimore Colts and the New York Giants in 1958.

Prior to entering business, Lurie served as an adjunct assistant professor of social policy at Boston University. He earned a B.A. from Clark University, a master's in psychology from Boston University, and a Ph.D. in social policy from Brandeis University. Lurie returned to his college campus in May 2019 and served as Clark University's commencement speaker to the graduating class.

Born on September 8, 1951, Lurie has two children. He resides in the Philadelphia area with his wife, Tina. In his free time, he enjoys traveling, golfing, tennis, movies, music, and discovering great restaurants.

DON SMOLENSKI

PRESIDENT

NFL Experience: 24th Year *(24th with Eagles)*
College: Amherst College **Hometown:** Pittsford, NY

Super Bowl Champion: 2017 (LII)

Don Smolenski, now in his 24th season with the organization, was named team president in 2012 after originally joining the team in 1998 as chief financial officer. Prior to being promoted to his current post, he was named senior vice president/chief financial officer in 2001 and later the team's chief operating officer in 2010.

As president, Smolenski directs the club's business and strategic efforts, including sales, marketing, communications, and operations. He has played a key role in significant projects from the construction of Lincoln Financial Field to the club's internationally recognized environmental and philanthropic programs. During his tenure as president, Smolenski has infused energy and creativity throughout the organization with his engaging leadership style. In 2015, he was named to the Most Admired CEOs list by the *Philadelphia Business Journal* and under his leadership, the Eagles were named to Philly.com's Top Workplaces list in 2016, 2018, and 2020.

During his time as the team's president, Smolenski and the Eagles realized their first Super Bowl victory in franchise history after defeating the New England Patriots, 41-33, in **Super Bowl LII**.

In his first year as president, Smolenski spearheaded a two-year, $125 million Lincoln Financial Field revitalization project that added 1,600 seats, HD video boards, and graphics paying tribute to the team's history. In 2019, Smolenski's leadership was instrumental to the Lincoln Financial Group naming-rights extension, which ensured that the Eagles would play at Lincoln Financial Field through 2032. Over the years, Lincoln Financial Field has hosted high-profile events including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy Game, Monster Jam, Temple University football, and more.

As part of Smolenski's commitment to offering guests a safe, clean, and friendly experience at Lincoln Financial Field, the Eagles were credited with a SAFETY Act designation, one of the highest levels of accreditation offered by the United States Department of Homeland Security, in August 2020. One month later, in September 2020, Lincoln Financial Field achieved the distinguished Global Biorisk Advisory Council (GBAC) STAR accreditation for implementing stringent protocols for cleaning, disinfection, and infectious disease prevention.

Smolenski plays an important role in the team's environmental initiatives. As a result of their Go Green program, the Eagles have emerged as a leader in environmental stewardship in the sports industry. Those focus areas include conservation efforts, recycling programs, and the use of renewable energy. Under his leadership, Lincoln Financial Field has achieved LEED Gold status, and the organization became the first professional sports team to receive ISO 20121 certification, an international standard designed to help organizations integrate sustainability into management practices and processes.

In 2018, Smolenski helped launch the Eagles Autism Challenge, a one-day bike ride and family-friendly 5K run/walk dedicated to raising funds for cutting-edge autism research and care. In 2019, the team's signature fundraising event expanded and led to the formation of the Eagles Autism Foundation, a new charitable endeavor that unified the team's various autism activities into one organization. Through its mission to turn autism awareness into action, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home stadium, have partnered with organizations to help combat the unemployment rate in the autism community, and have even leveraged home games and open practices to drive critical funds. In February 2021, the Eagles Autism Foundation eclipsed the $10 million raised mark over its first three years as a result of more than $260,000 having been collected through the Eagles Fan Cutout program during the 2020 season.

In 2013, Smolenski helped launch the Eagles Care initiative which forges annual, strategic partnerships with five local non-profit organizations in an effort to deepen the team's community impact. Since the program's establishment, the team has welcomed 32 charitable organizations to the Eagles Care family.

In addition to his leadership roles within the Eagles organization, Smolenski is the co-chair of Children's Hospital of Philadelphia (CHOP) Corporate Council, which is comprised of top executives from the region who believe in the hospital's mission, are committed to advancing its research and clinical priorities, and are dedicated to the health and economic growth of Greater Philadelphia. He is also a member of the Greater Philadelphia Chamber of Commerce Board, the FM Global Advisory Board, and is involved with Leadership Philadelphia, a non-profit organization that promotes leadership and community involvement.

In 2019, Smolenski was appointed chair of the PHL Sports Advisory Board. PHL Sports is a business development division of the Philadelphia Convention and Visitors Bureau (PHLCVB), which brings together the area sports community to attract major events to Philadelphia. In 2017, in partnership with PHL Sports, Smolenski assisted in bringing the NFL Draft back to Philadelphia for the first time since 1961.

Smolenski serves as the treasurer of the team's public charity, Eagles Charitable Foundation, which provides children in the Philadelphia region greater access to vision care.

Before joining the Eagles, Smolenski served as chief financial officer for the International Hockey League, where he oversaw all league financial matters and played an integral role in the expansion of the league. Through the development of expansion models and the analysis of league performance models, Smolenski saw the league grow from 12 to 19 teams.

Smolenski began his professional career as a public accountant with Arthur Andersen.

An outdoor enthusiast, Smolenski enjoys an active lifestyle and has completed the Detroit, Pittsburgh, and Boston Marathons. He earned his Bachelor of Arts degree in biology from Amherst College and holds a Master of Science degree in accounting. Don and his wife, Karen, have two sons, Jake and Shane.

HOWIE ROSEMAN

EXECUTIVE VICE PRESIDENT/GENERAL MANAGER

NFL Experience: 22nd Year *(22nd with Eagles)*
College: Florida, Fordham **Hometown:** Brooklyn, NY

Super Bowl Champion: 2017 (LII)

Howie Roseman, Executive Vice President/General Manager, enters his 22nd season with the Philadelphia Eagles. After working his way up through the Eagles' football operations and scouting departments, Roseman has cemented himself as one of the most accomplished and respected front office executives in the NFL.

The architect of the first Super Bowl championship in franchise history, Roseman has greatly impacted decades of sustained success in Philadelphia. Since he was hired in 2000, the Eagles have recorded the league's fourth-most playoff victories (14), fifth-most postseason berths (13, including a division-leading nine NFC East crowns), and sixth-highest overall winning percentage (.577, 208-152-2). Furthermore, Philadelphia ranks first in the NFC (tied for second in the NFL) with six conference title games since 2001 and is one of nine teams with multiple Super Bowl appearances dating back to 2004.

Roseman, who was named the 2017 NFL Executive of the Year (Sporting News; Pro Football Writers of America), has revitalized the Eagles' football operations with a collaborative and progressive approach to roster building and player development. As a result, Philadelphia has earned playoff appearances in three of the last four seasons, including two NFC East championships (2017 and 2019) and a 41-33 victory over the New England Patriots in **Super Bowl LII**. The Eagles became just the fourth franchise to capture a Super Bowl and then follow it with back-to-back postseason trips in the NFL's salary cap era (since 1994). Additionally, Philadelphia's recent track record of excellence has created opportunities for two former personnel executives to take on general manager roles with other clubs – **Andrew Berry** (Cleveland Browns) and **Joe Douglas** (New York Jets).

In 2017, Roseman played a pivotal role in ensuring the success of the Eagles' **Super Bowl LII**-winning team. Faced with season-ending injuries to key players, Roseman's focused leadership and in-season roster management helped Philadelphia produce a franchise-record-tying 13-3 regular-season campaign while also securing the top seed in the NFC playoffs ahead of its championship run.

Roseman, who served as the Eagles' Executive Vice President of Football Operations from 2016-18 before adding the title of General Manager in 2019, is responsible for managing the organization's personnel and scouting staffs. He also oversees the executives who specialize in all areas of football operations, including but not limited to sports medicine and performance, analytics, football administration, football technology, and player development. Under Roseman's guidance, and in concert with the vision created by Chairman and Chief Executive Officer **Jeffrey Lurie**, Philadelphia has become one of the NFL's most admired and innovative operations.

Before he was elevated to Executive Vice President of Football Operations, Roseman served as the team's general manager from 2010-14. At the time of his promotion, the 34-year-old Roseman became the youngest NFL executive to be named to the post in three decades. He directed a major overhaul of the roster in his first year, making it one of the youngest in the league. The revamped Eagles delivered NFC East titles in 2010 and 2013 and sent a conference-high nine players to the Pro Bowl following the 2014 season.

From 2008-09, Roseman managed the college scouting staff, organized and ran draft meetings, and scouted the top college prospects around the country as the vice president of player personnel.

Roseman was named Philadelphia's vice president of football administration (2006-07) after spending three years as the team's director of football administration (2003-05). In that role, he evaluated players around the NFL and for the draft while representing the team on contract, salary cap, and player personnel matters. In 2007, Roseman was invited to participate in the NFL-Stanford Program for managers at the Stanford Graduate School of Business, an NFL program created to promote the development of leaders within the league.

After relentlessly pursuing jobs in NFL front offices, Roseman finally got his foot in the door as an intern with the Eagles, when the team was headquartered at Veterans Stadium. From 2000-02, Roseman served as a salary cap staff counsel with Philadelphia.

Roseman, the club's nominee for the 2018 NFL Salute to Service Award, is very active in the Philadelphia community and contributes to a variety of initiatives that involve the military and children. He was named Honorary Commander for the Joint Base McGuire-Dix-Lakehurst for his continued efforts with the military. His charitable endeavors have also benefited the Alex's Lemonade Stand Foundation, the Boys & Girls Clubs of America, USA Football, Pop Warner, and Cop Wheels. In 2018, the Maxwell Football Club presented Roseman with the Steinberg-DeNicola Humanitarian Award, an annual honor that recognizes an NFL representative who is committed to doing good in their community. In addition, Roseman is a member of the Governing Body of the Global Sports Management Summit and YPO.

Born in Brooklyn, NY, Roseman earned his bachelor's degree from the University of Florida before earning a J.D. degree from Fordham Law School. He and his wife, Mindy, reside in suburban Philadelphia with their four children.

EAGLES AUTISM FOUNDATION

Established on September 8, 2019, the Eagles Autism Foundation was formed to centralize all of the team's autism activities into one organization, while strengthening its core mission of turning autism awareness into action. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for autism research and care has grown exponentially, raising more than $12 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 54 people living in the United States are on the autism spectrum. Autism is a complex neurological and developmental condition that expresses itself differently in each individual. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community to take action, the Eagles Autism Foundation is able to assist those currently affected by autism, as well as future generations.

EAGLES IN THE COMMUNITY

GO BIRDS

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have made it a priority to strengthen and support a high quality of life for individuals all throughout the Greater Philadelphia area. Under Lurie's leadership, and by leveraging its unique platform as a professional sports team, the Eagles work to inspire, motivate, and educate in all that they do.

Through a commitment to social justice efforts and inspiring change, forming collaborative partnerships with organizations dedicated to transformational work, growing the game of football at the youth level, and more, the Eagles are honored to give back in ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local non-profits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

Eagles Care

Through the Eagles Care program, the team cultivates and maintains season-long, strategic partnerships with local organizations as a way to help strengthen each partner's core work and positive impact on the community.

At the end of the season, each organization becomes an extension of the Eagles Care family where they continue to work closely with the team on community outreach events, while utilizing their newfound strengths to assist future Eagles Care partners.

GO GREEN

GO BIRDS

The Eagles believe the path to sustainability is a journey, not a destination. With the opening of Lincoln Financial Field in 2003, the team's road to becoming an eco-friendly operation began.

What started with a blue recycling bin under each employee's desk has grown into a company-wide sustainability program that is reducing the organization's overall impact on the environment in a financially-responsible manner.

With the help of partners and fans, the Eagles have been able to develop a multi-curriculum action plan that incorporates green energy production, recycling, composting, energy efficiency, ocean conservation, and reforestation, among other ventures.

The Eagles, who wear the color "green" with pride, are committed to serving as proud environmental stewards for a community that gives so much to them throughout the year.

"SUSTAINABLE" SUCCESS

In December 2018, Lincoln Financial Field was awarded LEED Gold certification by the U.S. Green Building Council (USGBC) for implementing practical and measurable strategies and solutions aimed at achieving high performance in sustainable site development, water savings, energy efficiency, materials selection, and indoor environmental quality.

The Eagles are the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

ISO 20121 is an international standard designed to help organizations involved in the events and hospitality industries integrate sustainability into management practices and processes.

The Eagles became the first U.S. pro sports team to offset team travel emissions through the support of Ocean Conservancy's Blue Playbook. As part of Team Ocean, the Eagles work closely with Ocean Conservancy and The Ocean Foundation on seagrass and mangrove coastal restoration efforts in Puerto Rico's Jobos Bay National Estuarine Research Reserve.

In September 2020, Lincoln Financial Field achieved Global Biorisk Advisory Council (GBAC) STAR accreditation, the highest standard for prepared facilities. Under the guidance of GBAC, a Division of ISSA, the worldwide cleaning industry association, Lincoln Financial Field has implemented stringent protocols in cleaning, disinfection, and infectious disease prevention.

STADIUM ENTERTAINMENT & FAN ENGAGEMENT

PAVING THE ROAD TO VICTORY!

In May 2016, the "Eagles FanWalk" was constructed outside of the Northeast entrance gate at Lincoln Financial Field. This honorary walkway, which showcases the passion that fans have for the Eagles and their families, features more than 3,800 personally engraved pavers that line the way for guests entering the stadium. The "Eagles FanWalk" ensures that each member engraved across the pathway will have a special place in Eagles history.

EAGLES CHEERLEADERS

GO BIRDS
