SUPER BOWL CHAMPION: 2017 (LII)

Jeffrey Lurie embarks on his 29th season as Chairman and Chief Executive Officer of the Philadelphia Eagles. Lurie purchased the franchise on May 6, 1994, and instituted an organizational infrastructure that reflects the pride and passion of the region, where tireless work ethic and innovation deeply coincides with consistent results. His commitment to excellence has launched an unprecedented era of success, including the first Super Bowl Championship in team history, when the Philadelphia Eagles defeated the New England Patriots, 41-33, in **Super Bowl LII** on February 4, 2018.

Today regarded among the most prominent franchises in professional sports, the Eagles began their ascent during the first full year of Lurie's ownership in 1995 and have since grown into a customary presence in the NFL's postseason. The Eagles are one of nine teams with multiple Super Bowl appearances (XXXIX and LII) since 2004 and lead the NFC (tied for second overall) in conference title games (six) dating back to 2001. In addition, the Eagles have earned nine of their 11 all-time NFC East Championships since 2001, which leads the division in that span.

Overall, the Philadelphia Eagles have made the playoffs 17 times under Lurie's direction and are tied for the third-most postseason bids in the NFL since the turn of the century (15), including trips in five of the last six seasons (2017-19, 2021-22). During that stretch, the Eagles became the fourth franchise to win a Super Bowl and then follow it with back-to-back playoff appearances since 1994, when the salary cap was introduced. Moreover, including the postseason, the Eagles have recorded the sixth-highest winning percentage (.583, 230-164-2) in the NFL since 2000.

Lurie's blueprint for success has had a profound impact on the field, leading to a greater overall winning percentage (.553, 272-220-3), more playoff games (29), and more playoff victories (15) than all previous ownership groups combined. That model, however, is not just limited to football, as the Philadelphia Eagles organization has wholly embraced a championship mentality in all aspects of its operations, especially in the community.

EAGLES AUTISM FOUNDATION

A thoughtful and compassionate philanthropist who has family ties to autism, Lurie is dedicated to raising critical research funds for the developmental disorder and has leveraged his resources as a professional sports owner to turn autism awareness into action.

In 2019, Lurie expanded on this commitment by launching the team's signature charitable initiative, the Eagles Autism Foundation, which has since raised over $16 million to help drive scientific breakthroughs and establish Philadelphia as a major center for autism research and care.

Through the Eagles Autism Foundation, the organization is viewed nationally as a progressive leader in the autism community. Most notably, the Eagles Autism Challenge presented by Lincoln Financial Group, which is the foundation's annual cycling and 5K run/walk event, contributes 100 percent of the participant-raised funds toward groundbreaking and exploratory work in the field of autism, including a record $4.1 million in 2022.

To ensure the most transformational projects are funded, Lurie organizes a nationally recognized independent peer review panel each year that is tasked with evaluating and approving submitted proposals. A total of 63 research projects and community grants that specialize in treating and caring for individuals and families affected by autism have been funded.

In addition, the Eagles became one of the first sports franchises in the country to build a state-of-the-art sensory room, presented by the Children's Hospital of Philadelphia, and received Sensory Inclusive Certification for Lin-

On May 8, 2019, Lurie was presented the Commitment to Cures Award by the American Brain Foundation for his ongoing work to find cures for neurodevelopmental diseases and disorders.

Lurie is a director of the NLM Family Foundation, which commits significant resources to autism research and education. He also established the Lurie Family Foundation to strengthen efforts toward autism research.

CHAMPIONS IN THE COMMUNITY

Under Lurie's ownership, the Philadelphia Eagles' dedication to serving the community has manifested in a variety of ways, as the organization continues to set a powerful example within professional sports.

In response to the COVID-19 pandemic, the Eagles contributed $1 million in donations to help relief efforts in Philadelphia, focusing on providing critical assistance to the well-being of essential healthcare workers and their families, as well as supporting local businesses. The Eagles also hosted numerous community blood drives and vaccination clinics at Lincoln Financial Field. Additionally, Lurie personally donated $1 million to Penn Medicine to establish the COVID-19 Immunology Defense Fund.

Over the past four years, the Eagles Social Justice Council, which is a committee of select players and Eagles staff, has awarded $1.6 million to local organizations working to improve education, mentoring, health services, criminal justice reform, reentry programs, and workplace development.

In 2018, Lurie was recognized by the Fritz Pollard Alliance with the Paul "Tank" Younger Award, which is annually granted to an NFL executive, coach, or owner who promotes gender and racial diversity. As a result of his efforts to foster civic responsibility throughout the organization, Lurie was the recipient of the Torch of Liberty Award conferred by the Anti-Defamation League of Philadelphia and was honored by Philadelphia's Operation Understanding, an acclaimed group that advances interracial harmony among future leaders of the African American and Jewish communities.

Go Green, a groundbreaking initiative launched by the Eagles in 2003, aims to reduce the organization's footprint on the environment and creates programs that improve quality of life in the Philadelphia area. In December 2018, Lincoln Financial Field was awarded LEED Gold certification by the U.S. Green Building Council. On top of that, the Eagles became the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

One of Lurie's first philanthropic endeavors was the creation of the Eagles Youth Partnership in 1995. For 20 years, the organization's charitable wing served over 50,000 at-risk children in the Philadelphia region, focusing on health and education programming. In 2015, Lurie oversaw the Eagles Youth Partnership's transition to the Eagles Charitable Foundation. Its signature program, the Eagles Eye Mobile, today provides children with greater access to vision care in partnership with Vision to Learn.

The Eagles have conducted community-changing playground builds in Philadelphia for the past 24 years, maintaining a belief that every child deserves a safe place to play and learn. The entire organization – including players, coaches, and staff – contributes to the installation of a large play structure, a mini-turf field, colorful murals, and mosaic tables.

In 2011, in acknowledgment of their community efforts as well as their Tackling Breast Cancer and Go Green campaigns, the Eagles were presented with the coveted Sports Team of the Year Award by Beyond Sport.

PROGRESSIVE LEADERSHIP

Widely considered one of the most progressive owners in professional sports, Lurie embraces innovative thought. His commitment to enhancing every element of the organization through forward-thinking decisions has been a hallmark of his tenure as Chairman and Chief Executive Officer.

Lurie invests in both people and ideas. Throughout his ownership, he has gone beyond traditional football practices by focusing on infusing talented individuals from other industries into the Eagles' business operations. As a

result, the Philadelphia Eagles have become a leader in professional sports with regards to gender diversity in the workplace.

The Eagles' organic effort toward staying ahead of the curve and mining for value where others may not see it has also been fundamental to the football team's success over the years.

During the 2021 offseason, Lurie hired a 39-year-old first-time head coach in **Nick Sirianni** – the second-youngest head coach in Eagles history – following a highly productive, three-year stint as the Indianapolis Colts' offensive coordinator. In his first season, Sirianni guided the Eagles to a 9-8 record and playoff berth, becoming the third head coach in franchise history to reach the postseason in their debut campaign.

Doug Pederson was hired by the Eagles as a first-time head coach in 2016. In his second season at the helm, Pederson led the team to its first Super Bowl Championship in franchise history when the Philadelphia Eagles outdueled the New England Patriots in **Super Bowl LII**.

In 1999, Lurie found a match with former Green Bay Packers quarterbacks coach **Andy Reid**, who at 40 years old took on a lead role for the first time in his career and was the second-youngest head coach in the NFL at the time of his hiring. Reid enjoyed a 14-year stay with Philadelphia (franchise record) and became the winningest head coach (140-102-1, .578 – including playoffs) in Eagles history. Named the 2002 NFL Coach of the Year by the *Associated Press*, Reid led the team to nine postseasons, which included five conference title games and an appearance in Super Bowl XXXIX.

Lurie's first head coaching hire, **Ray Rhodes**, came to Philadelphia in 1995 as just the third African American head coach in modern NFL history. In his first season with the Eagles, Rhodes guided the team to a 10-6 record and playoff berth and earned *AP* NFL Coach of the Year honors.

Each of Lurie's first five head coaching hires have earned postseason appearances within their first two seasons.

Lurie, who was named NFL Owner of the Year by *Sporting News* in 1995 and by *Pro Football Insider* in 2000, currently serves on numerous NFL committees, including the Finance Committee, Media Committee, International Committee, and the Major Events Advisory Committee.

BUILDING A NEW HOME

After purchasing the Eagles, Lurie recognized that the organization's facilities needed a total reconstruction, which required the design and relocation of its office headquarters, practice facility, and stadium. He immediately committed to providing the franchise with everything it needed to succeed and constructed two state-of-the-art facilities in South Philadelphia – the NovaCare Complex (2001) and Lincoln Financial Field (2003).

Although Lincoln Financial Field was erected to house its main tenant, the Philadelphia Eagles, Lurie also created a destination that could hold a wide variety of events. Fittingly, the first ticketed event at the new stadium was a soccer match between Manchester United and FC Barcelona in August 2003, followed by a Bruce Springsteen concert soon after.

Since then, Lincoln Financial Field has evolved with an ever-changing entertainment landscape and underwent a two-year, $125 million revitalization in 2013. Over the years, the venue has hosted high-profile events including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy game, Monster Jam, Temple University football games, and will host the FIFA World Cup matches in 2026.

FILM CAREER

Prior to purchasing the Philadelphia Eagles, Lurie joined General Cinema Corporation, a major movie theater company founded by his grandfather, Philip Smith. Two years later, he started Chestnut Hill Productions and produced a variety of films. In 2008, Lurie established Screen Pass Pictures and served as an executive producer of *Inside Job*, the 2010 documentary film, which earned the Academy Award for Best Documentary Feature, and *Inocente*, which earned an Academy Award for Best Short Documentary in 2013. Most recently, Lurie formed Play/Action Pictures to produce socially impactful documentary films, including *Totally Under Control* (2020), *Summer of Soul (Or, When the Revolution Could Not Be Televised)* (2021), *MLK/FBI* (2020), and *The Meaning of Hitler* (2020). Most recently, *Summer of Soul* earned the Academy Award for Best Documentary Feature in 2022, along with a Peabody Award and Grammy award for Best Music Film.

Smolenski has infused energy and creativity throughout the organization with his engaging leadership style. In 2015, he was named to the Most Admired CEOs list by the *Philadelphia Business Journal* and under his leadership, the Eagles were named to Philly.com's Top Workplaces list in 2012, 2014, 2016, 2018, 2020, and 2022.

During his time as the team's president, Smolenski and the Eagles celebrated their first Super Bowl victory in franchise history after defeating the New England Patriots, 41-33, in **Super Bowl LII**.

In his first year as president, Smolenski spearheaded a two-year, $125 million Lincoln Financial Field revitalization project that added 1,600 seats, HD video boards, and graphics paying tribute to the team's history. In 2019, Smolenski's leadership was instrumental to the Lincoln Financial Group naming-rights extension, which ensured that the Eagles would play at Lincoln Financial Field through 2032. Over the years, Lincoln Financial Field has hosted high-profile events, including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy Game, the NHL Stadium Series, Monster Jam, Temple University football, and more. In June 2022, Lincoln Financial Field was selected as a FIFA World Cup 2026 host venue, becoming one of 16 stadiums across the United States, Canada, and Mexico to earn the prestigious honor.

As part of Smolenski's commitment to offering guests a safe, clean, and friendly experience at Lincoln Financial Field, the Eagles were credited with a SAFETY Act designation, one of the highest levels of accreditation offered by the United States Department of Homeland Security, in August 2020. One month later, in September 2020, Lincoln Financial Field achieved the distinguished Global Biorisk Advisory Council (GBAC) STAR accreditation for implementing stringent protocols for cleaning, disinfection, and infectious disease prevention.

Smolenski plays an important role in the team's environmental initiatives. As a result of their Go Green program, which features the NFL's largest solar array with 10,456 panels, the Eagles have emerged as a leader in environmental stewardship in the sports industry. Areas of focus include conservation efforts, recycling programs, and the use of renewable energy. Under his leadership, Lincoln Financial Field has achieved LEED Gold status, and the organization became the first professional sports team to receive ISO 20121 certification, an international standard designed to help organizations integrate sustainability into its management operations. In June 2021, the Eagles entered into a landmark, first-of-its-kind partnership with Ocean Conservancy and The Ocean Foundation to offset all team travel through seagrass and mangrove restoration efforts in Puerto Rico.

In 2018, Smolenski helped launch the Eagles Autism Challenge, a one-day bike ride and family-friendly 5K run/walk dedicated to raising funds for cutting-edge autism research and care programs. In 2019, the team's signature fundraising event expanded and led to the formation of the Eagles Autism Foundation, a new charitable endeavor that unified the team's various autism activities into one organization. Through its mission to turn autism awareness into action, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home stadium, have partnered with organizations to help combat the unemployment rate in the autism community, and have even leveraged home games and open practices to drive critical funds. The Eagles Autism Challenge celebrated a record-setting year in 2022, raising more than $4.1 million for the cause and bringing the total raised to $16 million since 2018.

In 2013, Smolenski helped launch the Eagles Care initiative, which forges annual, strategic partnerships with local nonprofits in an effort to deepen the team's community impact. Since the program's inception, the team has welcomed 30 charitable organizations to the Eagles Care family.

In addition to his leadership roles within the Eagles organization, Smolenski is the co-chair of Children's Hospital of Philadelphia (CHOP) Corporate Council, which is comprised of top executives from the region who believe in the hospital's mission, are committed to advancing its research and clinical priorities, and are dedicated to the health and economic growth of Greater Philadelphia. He is also a member of the Greater Philadelphia Chamber of Commerce Board, the FM Global Advisory Board, and is involved with Leadership Philadelphia, a nonprofit organization that promotes leadership and community involvement.

In 2019, Smolenski was appointed chair of the PHL Sports Advisory Board. PHL Sports is a business development division of the Philadelphia Convention and Visitors Bureau (PHLCVB), which brings together the area sports community to attract major events to Philadelphia. In 2017, in partnership with PHL Sports, Smolenski assisted in bringing the NFL Draft back to Philadelphia for the first time since 1961.

HOWIE ROSEMAN

EXECUTIVE VICE PRESIDENT/GENERAL MANAGER

NFL Experience: 23rd Year *(23rd with Eagles)*
College: Florida, Fordham **Hometown:** Brooklyn, NY

SUPER BOWL CHAMPION: 2017 (LII) **NFL EXECUTIVE OF THE YEAR:** 2017 (*SPORTING NEWS*, PFWA)

Howie Roseman, Executive Vice President/General Manager, enters his 23rd season with the Philadelphia Eagles. After working his way up through the Eagles' football operations and scouting departments, Roseman has cemented himself as one of the most accomplished and respected front office executives in the NFL.

The architect of the first Super Bowl championship in franchise history, Roseman has greatly impacted decades of sustained success in Philadelphia. Since he was hired in 2000, the Eagles have the league's fourth-most playoff victories (14) and fourth-most postseason berths (14), including a division-leading nine NFC East crowns. Philadelphia also ranks first in the NFC (tied for second in the NFL) with six conference title games since 2001.

Roseman, who was named the 2017 NFL Executive of the Year (*Sporting News*; Pro Football Writers of America), has revitalized the Eagles' football operations with a collaborative and progressive approach to roster building and player development. As a result, Philadelphia has earned playoff appearances in four of the last five seasons, including two NFC East championships (2017 and 2019) and a 41-33 victory over the New England Patriots in **Super Bowl LII**. The Eagles became just the fourth franchise to capture a Super Bowl and then follow it with back-to-back postseason trips in the NFL's salary cap era (since 1994). In addition, Philadelphia's recent track record of excellence has created opportunities for numerous former personnel executives to earn senior roles with other clubs, including two general managers – **Andrew Berry** (Cleveland Browns) and **Joe Douglas** (New York Jets).

In 2017, Roseman played a pivotal role in ensuring the success of the Eagles' **Super Bowl LII**-winning team. Faced with season-ending injuries to key players, Roseman's focused leadership and in-season roster management helped Philadelphia produce a 13-3 regular-season campaign while also securing the top seed in the NFC playoffs ahead of its championship run.

Roseman, who served as the Eagles' Executive Vice President of Football Operations from 2016-18 before adding the title of General Manager in 2019, is responsible for managing the organization's personnel and scouting staffs. He also oversees the executives who specialize in all areas of football operations, including but not limited to sports medicine and performance, analytics, football administration, football technology, and player development. Under Roseman's guidance, and in concert with the vision created by Chairman and Chief Executive Officer **Jeffrey Lurie**, Philadelphia has become one of the NFL's most admired and innovative operations.

Before he was elevated to Executive Vice President of Football Operations, Roseman served as the general manager from 2010-14. At the time of his promotion, the 34-year-old Roseman became the youngest NFL executive to be named to the post in three decades. He directed a major overhaul of the roster in his first year, making it one of the youngest in the league. The revamped Eagles delivered NFC East titles in 2010 and 2013 and sent a conference-high nine players to the Pro Bowl following the 2014 season.

From 2008-09, Roseman managed the college scouting staff, organized, and ran draft meetings, and scouted the top college prospects around the country as the vice president of player personnel.

Roseman was named Philadelphia's vice president of football administration (2006-07) after spending three years as the team's director of football administration (2003-05). In that role, he evaluated players around the NFL and for the draft while representing the team on contract, salary cap, and player personnel matters. In 2007, Roseman was invited to participate in the NFL-Stanford Program for managers at the Stanford Graduate School of Business, an NFL program created to develop leaders within the league.

After relentlessly pursuing jobs in NFL front offices, Roseman finally got his foot in the door as an intern with the Eagles, when the team was headquartered at Veterans Stadium. From 2000-02, Roseman served as a salary cap staff counsel with Philadelphia.

Roseman serves on the Future of Football Advisory Committee, which is a panel of executives organized through the NFL's Football Operations Innovation Forum that showcases and discusses various initiatives.

Roseman, the club's nominee for the 2018 NFL Salute to Service Award, is very active in the Philadelphia community and contributes to a variety of initiatives that involve the military and children. He was named Honorary Commander for the Joint Base McGuire-Dix-Lakehurst for his continued efforts with the military. His charitable endeavors have also benefited the Alex's Lemonade Stand Foundation, the Boys & Girls Clubs of America, USA Football, Pop Warner, and Cop Wheels. In 2018, the Maxwell Football Club presented Roseman with the Steinberg-DeNicola Humanitarian Award, an annual honor that recognizes an NFL representative who is committed to doing good in their community. In addition, Roseman is a member of the Governing Body of the Global Sports Management Summit and YPO.

Born in Brooklyn, NY, Roseman earned his bachelor's degree from Florida before earning a J.D. degree from Fordham Law School. He and his wife, Mindy, reside in suburban Philadelphia with their four children.

NICK SIRIANNI

HEAD COACH

NFL Experience: 14th Year *(2nd with Eagles)*
College: Mount Union **Hometown:** Jamestown, NY

Nick Sirianni was named head coach of the Philadelphia Eagles on January 24, 2021. In his debut campaign, he led the Eagles to a 9-8 record and playoff appearance, becoming the third head coach in franchise history to reach the postseason in their first year at the helm.

The product of a family of football coaches and educators, Sirianni developed a curriculum for building a winning culture that is grounded in five core values – *connect*, *compete*, *accountability*, *football IQ* and *fundamentals*. Through these principles, he directed one of the largest year-over-year win total improvements in team history in 2021, with Philadelphia capturing seven of its last 10 regular-season games to make the playoffs.

Under Sirianni's leadership, the Eagles totaled the most explosive plays (163) in the league and ranked first with a franchise record in rushing yards (2,715). Moreover, they finished fourth in third-down conversion rate (team-record 45.7 pct.) and allowed only 16 giveaways (fifth in the NFL), marking the club's fewest in a season in over 30 years. Philadelphia also registered the second-most defensive touchdowns (five) in the NFL and ranked 10th in opponent yards per game (328.8 ypg).

Sirianni, who pairs his teaching skills with a contagious energy and passion for the game, helped many players enjoy successful showings in 2021, including quarterback **Jalen Hurts**. As a first-time starter, Hurts became just the eighth player in NFL history to produce 3,000 passing yards (3,144) and 750 rushing yards (784) in a season and established himself as the youngest signal caller (23 years old) to ever lead the Eagles to a playoff berth.

In addition, Sirianni guided five players – kicker **Jake Elliott**, defensive tackle **Javon Hargrave**, center **Jason Kelce**, cornerback **Darius Slay** and defensive end **Josh Sweat** – to Pro Bowl nods, including three first-time selections (Elliott, Hargrave and Sweat). Kelce and tackle **Lane Johnson** were also honored as All-Pros by the *Associated Press*, while wide receiver **DeVonta Smith** set a franchise rookie record for receiving yards (916).

Prior to arriving in Philadelphia, Sirianni spent three years (2018-20) as the Indianapolis Colts' offensive coordinator. In that span, the Colts ranked sixth in third-down conversion rate (43.4 pct.), seventh in red zone touchdown efficiency (63.9 pct.) and eighth in points per game (25.9), while surrendering the second-fewest sacks (71) in the league.

During Sirianni's time with the Colts, five offensive players earned Pro Bowl honors, including guard **Quenton Nelson** (2019-21), center **Ryan Kelly** (2020-21), tight ends **Jack Doyle** (2019) and **Eric Ebron** (2018) and quarterback **Andrew Luck** (2018), who was named *AP* NFL Comeback Player of the Year after finishing second overall in passing touchdowns (39) in 2018. Furthermore, Nelson was voted first-team All-Pro all three seasons, while Kelly was tabbed a second-team All-Pro selection in 2020.

Before he joined Indianapolis, Sirianni was a member of the Los Angeles/San Diego Chargers' staff for five years (2013-17), including two seasons as the wide receivers coach (2016-17). In 2017, he assisted the top-ranked passing offense (276.9 ypg), which featured a career year from **Keenan Allen**, who was selected as the *AP* NFL Comeback Player of the Year after ranking third in receiving yards (career-high 1,393) that season.

From 2014-15, Sirianni coached the Chargers' quarterbacks and helped **Philip Rivers** earn consecutive Pro Bowls while averaging 30 passing touchdowns per season. In 2015, Rivers led the NFL with a team-record 437 completions for a career-high 4,792 yards (second in the NFL and 10 yards shy of the club record). In 2013, when Sirianni originally joined the Chargers as an offensive quality control coach, Rivers threw for 4,478 yards and 32 touchdowns and recorded a career-high 69.5 completion percentage (378-of-544) en route to *AP* NFL Comeback Player of the Year honors.

2022 CHANGEMAKER AWARD RECOGNITION

CHILDREN'S HOSPITAL OF PHILADELPHIA (CHOP)

DECEMBER 27, 2022

RB Boston Scott

As part of the NFL's Inspire Change platform to reduce barriers to opportunity and advance social justice, the Eagles named CHOP's Dr. Ruth Abaya as the team's inaugural Changemaker Award recipient.

Boston Scott, Eagles Cheerleaders, and SWOOP surprised her with the award on Tuesday, December 27, at CHOP's Roberts Center for Pediatric Research.

In recognition of her work treating young children who have been impacted by gun violence, Dr. Abaya was presented with a $50,000 grant from the Eagles Social Justice Fund, an additional $10,000 from the Eagles and NFL Foundation, and two tickets to Super Bowl LVII.

Dr. Abaya works as an attending physician in the emergency department at CHOP.

EAGLES CARE

During the NFL season, Tuesdays are typically non-practice days for the team. Many Eagles players use this opportunity to enhance the quality of life for residents in the Greater Philadelphia region through the ***Eagles Care Community Tuesday*** *initiative.*

EAGLES AUTISM FOUNDATION

Established on September 8, 2019, the Eagles Autism Foundation was formed to centralize the team's autism activities into one organization, while strengthening its charitable mission to assist individuals and families affected by autism. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for cutting-edge autism research and care programs has grown exponentially, raising more than $16 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 44 people living in the United States are on the autism spectrum. Autism is a complex neurological and developmental condition that expresses itself differently in each individual. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community, the Eagles Autism Foundation is turning awareness into action.

The 500-square-foot, state-of-the-art sensory room has been carefully designed by top medical professionals to ensure a quieter and more secure environment. The certification process included the training of every Eagles employee and stadium staff member.

MY CAUSE MY CLEATS

TRAINING CAMP PRACTICES

Training camp practices at Lincoln Financial Field serve as a vehicle to drive critical funds for autism research and care. All ticket proceeds from the public practices benefit the Eagles Autism Foundation.

COVID-19 VACCINATION CLINIC

In partnership with Divine Providence, the Eagles Autism Foundation organized the city's first COVID-19 vaccination clinic for the autism community in March 2021. The sensory-friendly environment was designed to ensure individuals could be vaccinated in a safe and efficient manner.

POPCORN FOR THE PEOPLE

To help combat the unemployment rate in the autism community, the Eagles Autism Foundation and Aramark have teamed up with Popcorn for the People, a nonprofit organization dedicated to creating meaningful employment for those with autism and developmental disabilities.

PHILADELPHIA ORCHESTRA

The Eagles Autism Foundation annually hosts a sensory-friendly concert performed by the iconic Philadelphia Orchestra. The performance is designed to be a welcoming, inclusive, and comfortable environment for guests with sensory sensitivities and cognitive and learning differences.

The concert supports the team's mission to assist individuals and families affected by autism, and promotes the Philadelphia Orchestra's Free Neighborhood Chamber Concert Series, which works to deepen ties to Philadelphians and makes music and arts education accessible to all people.

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have made it a priority to strengthen and support a high quality of life for individuals throughout the Greater Philadelphia area. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles work to inspire, motivate, and educate in everything they do.

Through a commitment to social justice efforts and inspiring change, forming collaborative partnerships with area-based nonprofits, growing the game of football at the youth level, and more, the Eagles are honored to give back in ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically reserved as non-practice days for the team. Many Eagles players use this opportunity to enhance the quality of life for residents in the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact in the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each nonprofit's work is being amplified. Since 2013, the team has welcomed 30 nonprofits to the Eagles Care family.

EAGLES EYE MOBILE

The Eagles Eye Mobile powered by Vision To Learn travels to communities throughout the School District of Philadelphia, offering comprehensive eye exams and, if needed, prescription eyeglasses and follow-up care at no cost to families.

The Eagles Eye Mobile, which was founded by former Eagles Pro Bowl guard Jermaine Mayberry, has impacted nearly 100,000 children in the Greater Philadelphia area since 1996.

EAGLES SOCIAL JUSTICE FUND OF THE PHILADELPHIA FOUNDATION

Established in 2018, the Eagles Social Justice Fund was formed to provide grants to organizations that work to reduce barriers to equal opportunity, with a specific focus on education, community and police relations, improving the criminal justice system, and other initiatives targeting poverty, racial equality, and workforce development in the Greater Philadelphia area.

The Eagles Social Justice Leadership Council is led by a panel of players and club executives that works to identify potential grant recipients and secures contributions to the Fund, which is built through one-to-one matching donations from players and the club.

In just four years, the program has allocated more than $1.6 million in funding.

To help combat the increasing violence facing thousands of Philadelphia residents, the Eagles launched a targeted anti-gun violence campaign in January 2022. In conjunction with local nonprofits and the City, the team created a resource website, EndPhillyGunViolence.com, which has been designed to aggregate information and steer young people to proven and effective help.

The Eagles joined the **Wear Orange** movement on June 3, 2022, by wearing orange practice shirts on the field to commemorate survivors and those who have fallen victim to gun violence. All player shirts worn at practice were listed on NFL Auction, with proceeds benefiting Frontline Dads and Mothers In Charge.

As an additional measure to help reduce gun violence in the community, the Philadelphia Police Department held a gun buyback event at Lincoln Financial Field on June 6. The event was supported by the Eagles and the Center for Violence Prevention at CHOP.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly to inspire the next generation of athletes.

From March 2021 to March 2022, the Eagles youth football program impacted more than 89,000 kids and contributed a total value of approximately $2,150,000 in grants, equipment donations, experiences, and more.

GIRLS HIGH SCHOOL FLAG FOOTBALL LEAGUE

To support and promote female participation in sport, the Eagles launched the state's first Girls High School Flag Football League, featuring schools from the Philadelphia Public and Catholic Leagues. The goal of the multi-year program is to make girls flag football an officially sanctioned sport in the state of Pennsylvania.

SPORTS BRA DONATION

The Eagles purchased $100,000 worth of sports bras (6,000 total) and distributed them through the team's nonprofit partner, Leveling the Playing Field.

The Eagles became the first NFL team to support female youth athletes in this capacity. The purchase of the 6,000 sports bras are enough to outfit every female athlete in the Philadelphia School District.

The connection between the Eagles and their fans has always been a special bond. It is a relationship that has existed for generations and is one that continues to grow stronger as the years go on.

The Eagles are inspired by the relentless passion and support they receive and have always made it a priority to engage the fanbase by offering unique experiences and memories to last a lifetime.

Annual events like Women's Football Festival, Kids Club activities, Spotlight Forums, training camp public practices, and youth football camps, among others, have enabled fans to connect with their favorite team, players, and franchise legends on a deeper level. Many of these programs have even developed into family traditions for some, bringing together loved ones from all across the country.

The Eagles are proud to celebrate their fans in many special ways, both on and off the field.

GO GREEN

INNOVATE. SUSTAIN.

The Eagles believe the path to sustainability is a journey, not a destination. With the opening of Lincoln Financial Field in 2003, the team's road to becoming an eco-friendly operation began.

What started with a blue recycling bin under each employee's desk has grown into a company-wide sustainability program that is reducing the organization's overall impact on the environment in a financially responsible manner.

With the help of partners and fans, the Eagles have been able to develop a multi-operational action plan that incorporates green energy production, recycling, composting, energy efficiency, ocean conservation, and reforestation, among other ventures.

The Eagles, who wear the color "green" with pride, are committed to serving as proud environmental stewards for a community that gives so much to them throughout the year.

"SUSTAINABLE" SUCCESS

In December 2018, Lincoln Financial Field was awarded LEED Gold certification by the U.S. Green Building Council for implementing practical and measurable strategies and solutions aimed at achieving high performance in sustainable site development, water savings, energy efficiency, materials selection, and indoor environmental quality.

The Eagles are the first pro sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

ISO 20121 is an international standard designed to help organizations in the event and hospitality industry to integrate sustainability into its management operations.

The Eagles are the first U.S. pro sports team to offset team travel emissions through Ocean Conservancy's Blue Playbook. The Eagles work closely with Ocean Conservancy and The Ocean Foundation on seagrass and mangrove coastal restoration efforts in Puerto Rico's Jobos Bay National Estuarine Research Reserve.

In September 2020, Lincoln Financial Field achieved Global Biorisk Advisory Council (GBAC) STAR accreditation. Under the guidance of GBAC, a Division of ISSA, the worldwide cleaning industry association, Lincoln Financial Field has implemented stringent protocols in cleaning, disinfection, and infectious disease prevention.

SUSTAINABILITY & ENVIRONMENTAL BIRDSEED

- 10,456 solar panels have positioned Lincoln Financial Field to be among the greenest major sports facilities in the world
- Through the team's energy-from-waste program, the Eagles divert more than 99% of their waste from landfills
- The installation of water filtration fountains at the team's facilities has saved more than one million water bottles since 2015
- Became the first Philadelphia sports team to switch from plastic straws to an eco-friendly alternative made from 100% renewable resources
- Implemented a closed-loop recycling program that collects bottle caps and turns them into new material for use at the stadium
- Supports reforestation efforts by planting trees in various cities, including the "Eagles Forest" in Bensalem, PA
- Bike Share program provides team employees with bicycles for convenient transportation from the practice facility to the stadium
- Staff is equipped with sustainable rain ponchos made from sugarcane ethanol, a renewable raw material that has a carbon-negative life cycle
- Cups and flatware are created from bio-plastics which biodegrade in just 45 days
- The Eagles turned the dial from hot to cold and now wash all laundry, including uniforms, in cold water

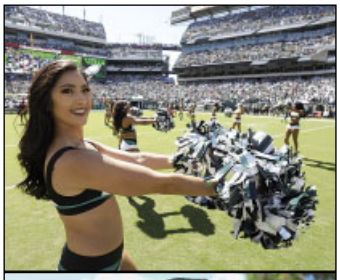
In May 2016, the "Eagles FanWalk" was constructed outside of the Northeast entrance gate at Lincoln Financial Field. This honorary walkway, which showcases the passion that fans have for the Eagles and their families, features more than 3,800 personally engraved pavers that line the way for guests entering the stadium. The "Eagles FanWalk" ensures that each member engraved across the pathway will have a special place in Eagles history.



The Eagles Cheerleaders, comprised of both women and men, serve as entertainers and brand ambassadors for the organization, representing the team in the community, as well as nationally and internationally.

Careers of current members include an analytical chemist, doctor of physical therapy, special education teacher, and published author and historian.

The 32 members of the squad are socially conscious individuals with inspiring life experiences, utilizing their platform to make a positive impact through global humanitarian work and participating in overseas goodwill military tours. They are passionately involved in engaging today's youth and furthering the mission of the Eagles Autism Foundation. The squad is diverse, celebrates authenticity, and embraces meaningful connections with fans.
