SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX)

Jeffrey Lurie embarks on his 32nd season as Chairman and Chief Executive Officer of the Philadelphia Eagles. Lurie purchased the franchise on May 6, 1994, and instituted an organizational infrastructure that reflects the pride and passion of the region, where tireless work ethic and innovation deeply coincides with consistent results. His commitment to excellence has launched an outstanding era of success, including the first two Super Bowl Championships (**Super Bowl LII** and **Super Bowl LIX**) in team history.

Lurie is the sixth all-time individual owner to capture Super Bowl victories with multiple head coaches, joining Pro Football Hall of Famers **Pat Bowlen**, **Al Davis**, **Edward DeBartolo**, **Jerry Jones** and **Dan Rooney**. Furthermore, he is the fifth individual owner to advance to four Super Bowls while producing two championships in the league's salary cap era (since 1994), along with **Pat Bowlen**, **Clark Hunt**, **Robert Kraft** and **Dan Rooney**.

Today regarded among the most prominent franchises in professional sports, the Philadelphia Eagles began their ascent during the first full year of Lurie's ownership in 1995 and have become a customary presence in the NFL's postseason. The Eagles are one of three teams with four Super Bowl berths (XXXIX, LII, LVII and LIX) since 2004 and lead the NFC (second overall) in conference title games (eight, including six home games) dating back to 2001. Impressively, one third of Philadelphia's seasons since 2001 have resulted in NFC Championship Game or Super Bowl appearances. In addition, the Eagles have delivered 11 of their 13 all-time NFC East Championships since the 2001 campaign, which leads the division in that span.

The Philadelphia Eagles have made the playoffs 19 times under Lurie's stewardship and have totaled the third-most postseason bids since the turn of the century (17), including trips in seven of the last eight seasons. Moreover, including the playoffs, the Eagles have registered the fifth-highest winning percentage (.598, 261-175-2) in the NFL since 2000. Lurie, whose all-time

record is 304-231-3, celebrated his 300th career win on January 5, 2025.

Lurie's blueprint for success has had a profound impact on the field, leading to a greater overall winning percentage (.568, 304-231-3), more play-off games (37) and more playoff victories (20) than all previous ownership groups combined. That model, however, is not just limited to football, as the Philadelphia Eagles organization has embraced a championship mentality in all aspects of its operations, especially in the community.

LURIE AUTISM INSTITUTE

A thoughtful and compassionate philanthropist who has family ties to autism, Lurie is dedicated to raising critical funds for the developmental disorder and has leveraged his resources as a professional sports owner to turn autism awareness into action.

In 2025, Lurie and his family donated an unprecedented \$50 million to launch the Lurie Autism Institute in partnership with Children's Hospital of Philadelphia (CHOP) and Penn Medicine. The gift is the largest single donation to U.S. academic medical centers focused on autism research across the lifespan.

Rooted in a collaboration between world-renowned centers in pediatric research and academic medicine, the Institute was established to spark a new era of scientific discovery in autism.

The Lurie family's investment strategically leverages CHOP and Penn Medicine's strengths in autism research and translation to seek answers to the most challenging and important questions around the condition.

By investing in cutting-edge science and the infrastructure to move it forward, the landmark partnership is committed not just to understand autism more deeply, but to transform what's possible for individuals and families worldwide.

In 2025, Lurie and his family donated \$50 million to launch the Lurie Autism Institute in partnership with Children’s Hospital of Philadelphia and Penn Medicine, representing the largest single donation to U.S. academic medical centers focused on autism research across the lifespan.

Powered by Penn Medicine and CHOP’s long history of partnering on transformative breakthroughs for the care of both children and adults, the Institute is poised to make fresh discoveries and aims to be a global epicenter for scientists, clinicians, families, students, and donors.

EAGLES AUTISM FOUNDATION

In 2019, Lurie launched the team’s philanthropic arm, the Eagles Autism Foundation, which has raised more than \$40 million for cutting-edge autism research and care programs.

Through the Eagles Autism Foundation, the organization is viewed as an international resource for the autism community. Most notably, the Eagles Autism Challenge presented by Lincoln Financial, the Foundation’s annual cycling and 5K run/walk event, contributes 100 percent of the participant-raised funds toward groundbreaking and exploratory work in the field of autism, including a record \$10 million-plus in 2025.

To ensure the most transformational projects are being supported, Lurie organizes an internationally recognized peer review panel each year to evaluate and approve submitted proposals. A total of 169 research projects and community grants have been funded to date.

The Eagles were one of the first sports franchises in the country to build a state-of-the-art sensory room in their stadium, Lincoln Financial Field, which is certified as sensory inclusive thanks to a partnership with KultureCity. The Eagles also became the first professional sports team to partner with Popcorn for the People, a nonprofit organization devoted to creating meaningful employment for those with autism and developmental disabilities.

Lurie was presented the Commitment to Cures Award by the American Brain Foundation in 2019 for his ongoing work to find cures for neurodevelopmental diseases and disorders.

Lurie is a director of the Nancy Lurie Marks Family Foundation, which commits significant resources to autism research and education. He also established the Lurie Family Foundation to strengthen efforts toward autism research.

CHAMPIONS IN THE COMMUNITY

Under Lurie’s ownership, the Philadelphia Eagles’ dedication to serving the community has manifested in a variety of ways, as the organization continues to set a powerful example within professional sports.

In 2022, the Eagles Girls’ Flag Football League was launched to promote and increase participation across all sports for young girls and women. What

originally started with 16 schools from the Philadelphia Public and Catholic Leagues now features more than 1,600 girls throughout the eastern side of Pennsylvania. After being designated as an emerging sport in the Commonwealth in 2023, girls’ flag football was declared an officially sanctioned sport in Pennsylvania at the high school level in September 2024. As part of an ongoing commitment to increase access to girls’ youth sports, the Eagles became the first NFL club to launch an innovative sports bra line – FLY:FWD – designed specifically for young girls and women competing in sport.

In response to the COVID-19 pandemic, the Eagles contributed \$1 million in donations to help relief efforts in Philadelphia, focusing on providing critical assistance to the well-being of essential healthcare workers and their families, as well as supporting local businesses. The Eagles also hosted numerous community blood drives and vaccination clinics at Lincoln Financial Field. Additionally, Lurie personally donated \$1 million to Penn Medicine to establish the COVID-19 Immunology Defense Fund.

The Eagles Social Justice Council, which is a committee comprised of select players and team staff, has awarded more than \$2.6 million to local organizations focused on anti-gun violence efforts, education, mentorship, criminal justice reform, reentry programs and workplace development.

Lurie was recognized by the Fritz Pollard Alliance with the Paul “Tank” Younger Award in 2018, which is annually granted to an NFL executive, coach, or owner who promotes gender and racial diversity. As a result of his efforts to foster civic responsibility throughout the organization, Lurie was the recipient of the Torch of Liberty Award conferred by the Anti-Defamation League of Philadelphia and was honored by Philadelphia’s Operation Understanding, an acclaimed group that advances interracial harmony among future leaders of the African American and Jewish communities.

Go Green, a groundbreaking initiative launched by the Eagles in 2003, aims to reduce the organization’s footprint on the environment and creates programs that improve quality of life in the Philadelphia area. Lincoln Financial Field is one of only two previously constructed NFL stadiums to achieve Platinum status – the highest of all LEED certifications – and the only one that is more than 10 years old. Lincoln Financial Field has earned three levels of accreditation from USGBC, going from LEED Silver in 2013 to LEED Gold in 2018 to LEED Platinum in 2024. On top of that, the Eagles became the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

The Eagles have conducted community-changing playground builds in Philadelphia since 1997, maintaining a belief that every child deserves a safe place to play and learn. Each year, the entire organization – players, coaches, and staff – contributes to the installation of a large play structure, a mini-turf field, colorful murals, and mosaic tables at a designated playground.

One of Lurie’s first philanthropic endeavors was the creation of the Eagles Youth Partnership in 1995. For 20 years, the organization’s charitable wing served more than one million at-risk children in the Philadelphia region, focusing on health and education programming. In 2015, Lurie oversaw the Eagles Youth Partnership’s transition to the Eagles Charitable Foundation. Its signature program, the Eagles Eye Mobile, today provides children with greater access to vision care in partnership with Vision To Learn.

In 2011, in acknowledgment of their community efforts as well as their Tackling Breast Cancer and Go Green campaigns, the Eagles were presented with the coveted Sports Team of the Year Award by *Beyond Sport*.

PROGRESSIVE LEADERSHIP

Widely considered one of the most progressive owners in professional sports, Lurie embraces innovative thought. His commitment to enhancing every element of the organization through forward-thinking decisions has been a hallmark of his tenure as Chairman and Chief Executive Officer.

Lurie invests in both people and ideas. Throughout his ownership, he has gone beyond traditional football practices by focusing on infusing talented individuals from other industries into the Eagles’ business operations. As a result, the Philadelphia Eagles have become a leader in professional sports with regards to gender diversity in the workplace.

The Eagles’ organic effort toward staying ahead of the curve and mining for value where others may not see it has also been fundamental to the foot-

ball team's success over the years.

In 2021, Lurie hired a 39-year-old first-time head coach in **Nick Sirianni**. Sirianni became the first head coach in NFL history to start their career with four consecutive postseason appearances, including two conference titles and a Super Bowl Championship, defeating the Kansas City Chiefs in **Super Bowl LIX**. The only Eagles head coach with multiple Super Bowl berths (LVII and LIX), Sirianni also registered the second-most wins ever by an NFL head coach through their first four career seasons, including franchise-record-breaking 14-3 campaigns in 2022 and 2024.

Doug Pederson was hired by the Eagles as a first-time head coach in 2016. In his second season at the helm, Pederson led the team to its first Super Bowl Championship in franchise history when the Philadelphia Eagles outdueled the New England Patriots in **Super Bowl LII**.

In 1999, Lurie found a match with former Green Bay Packers quarterbacks coach **Andy Reid**, who at 40 years old took on a lead role for the first time in his career and was the second-youngest head coach in the NFL at the time of his hiring. Reid enjoyed a 14-year stay with Philadelphia (franchise record) and became the winningest head coach (140-102-1, .578 – including playoffs) in Eagles history. Named the 2002 *Associated Press* NFL Coach of the Year, Reid led the team to nine postseasons, which included five conference title games and an appearance in Super Bowl XXXIX.

Lurie's first head coaching hire, **Ray Rhodes**, came to Philadelphia in 1995 as just the third African American head coach in modern NFL history. In his first season with the Eagles, Rhodes guided the team to a 10-6 record and playoff berth and earned *AP* NFL Coach of the Year honors.

Lurie is the fourth individual owner in NFL history to have three different head coaches reach the Super Bowl. Overall, each of his first five head coaching hires have earned postseason trips within their first two seasons.

Lurie currently serves on numerous NFL committees, including the Finance Committee, Media Committee, and International Committee.

BUILDING A NEW HOME

After purchasing the Eagles, Lurie recognized that the organization's facilities needed a total reconstruction, which required the design and relocation of its office headquarters, practice facility, and stadium. He immediately committed to providing the franchise with everything it needed to succeed and constructed two state-of-the-art facilities in South Philadelphia – the NovaCare Complex (2001) and Lincoln Financial Field (2003).

Although Lincoln Financial Field was erected to house its main tenant, the Philadelphia Eagles, Lurie also created a destination that could hold a wide variety of events. Fittingly, the first ticketed event at the new stadium was a soccer match between Manchester United and FC Barcelona in August 2003, followed by a Bruce Springsteen concert soon after.

Since then, Lincoln Financial Field has evolved with an ever-changing entertainment landscape and underwent a two-year, \$125 million revitalization in February 2012. Over the years, the venue has hosted high-profile events, including sold-out concerts, international soccer matches, WrestleMania XL, the Army-Navy game, NHL Stadium Series, NCAA Men's Lacrosse Championships, Monster Jam, Temple University football, and many other marquee events. In 2026, Lincoln Financial Field will have the distinguished honor of serving as one of 16 North American venues to host the FIFA World Cup.

FILM CAREER

Prior to purchasing the Philadelphia Eagles, Lurie joined General Cinema Corporation, a major movie theater company founded by his grandfather, Philip Smith. Two years later, he started Chestnut Hill Productions and produced a variety of films. In 2008, Lurie established Screen Pass Pictures and served as an executive producer of *Inside Job*, the 2010 documentary film, which earned the Academy Award for Best Documentary Feature, and *Inocente*, which earned an Academy Award for Best Short Documentary in 2013. More recently, Lurie formed Play/Action Pictures to produce socially impactful documentary films, including *Apocalypse in the Tropics* (2025), *The League* (2023), *Summer of Soul (Or, When the Revolution Could Not Be Televised)* (2021), *The Meaning of Hitler* (2020), *MLK/FBI* (2020), and *Totally Under Control* (2020). *Summer of Soul* earned the Academy Award for Best Documentary Feature in 2022, along with a Peabody Award and GRAMMY award for Best Music Film.

PERSONAL

Lurie's passion and love of sports began when he was a young boy growing up outside of Boston. Lurie became an avid fan of the NFL after watching the first-ever sudden-death overtime NFL Championship between the Baltimore Colts and New York Giants with his father in 1958. Prior to entering business, Lurie served as an adjunct assistant professor of social policy at Boston University.

He earned a B.A. from Clark University, a master's in psychology from Boston University, and a Ph.D. in social policy from Brandeis University. Lurie served as Clark University's commencement speaker to the graduating class in May 2019.

Born on September 8, 1951, Lurie has two children and a dog named Sydney. He resides in the Philadelphia area with his wife, Tina. In his free time, he enjoys traveling, golfing, tennis, movies, music, and discovering great restaurants.

DON SMOLENSKI

PRESIDENT

NFL Experience: 28th Year (28th with Eagles)
College: Amherst College Hometown: Pittsford, NY

SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX)

Don Smolenski, now in his 28th season with the organization, was named team president in 2012 after originally joining the team in 1998 as chief financial officer. He served as senior vice president, chief financial officer from 2001-10 and then as the team's chief operating officer from 2010-12.

As president, Smolenski directs the club's business and strategic efforts, including sales, marketing, communications, and operations. He has played a key role in significant projects from the construction of Lincoln Financial Field to the club's internationally recognized environmental and philanthropic programs.

Smolenski has infused energy and creativity throughout the organization with his engaging leadership style. In 2024, he was recognized by the Philadelphia Inquirer's Top Workplaces program in the special awards category for leadership and, in 2015, was named to the Most Admired CEOs list by the Philadelphia Business Journal. Under his direction, the Eagles have been a Top Workplace in 2012, 2014, 2016, 2018, 2020, 2022, and 2024.

Smolenski and the Eagles have celebrated two Super Bowl victories during his time as team president. The Eagles captured their first Lombardi Trophy after defeating the New England Patriots, 41-33, in **Super Bowl LII**, followed by a win over the Kansas City Chiefs, 40-22, in **Super Bowl LIX**.

In his first year as president, Smolenski spearheaded a two-year, \$125 million Lincoln Financial Field revitalization project that added 1,600 seats, HD video boards, and graphics paying tribute to the team's history. In 2019, Smolenski's leadership was instrumental to the Lincoln Financial naming rights extension, which stands as one of the longest stadium naming rights relationships in the NFL. Over the years, Lincoln Financial Field has hosted high-profile events, including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy Game, the NHL Stadium Series, WrestleMania, Monster Jam, Temple University football, and more. In June 2022, Lincoln Financial Field was selected as a FIFA World Cup 2026 host venue, becoming one of 16 stadiums across the United States, Canada, and Mexico to earn the prestigious honor.

Smolenski plays an important role in the team's environmental initiatives. As a result of their Go Green program, which features the NFL's largest solar array with 10,456 panels, the Eagles have emerged as a leader in environmental stewardship. Lincoln Financial Field is LEED Platinum certified and the Eagles are the first professional sports team to earn ISO 20121 certification.

In 2018, Smolenski helped launch the Eagles Autism Challenge, a one-day bike ride and family-friendly 5K run/walk dedicated to raising funds for cutting-edge autism research and care programs. In 2019, the team's signature fundraising event expanded and led to the formation of the Eagles Autism Foundation, a new charitable endeavor that unified the team's various autism activities into one organization. Through its mission to turn autism awareness into action, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home stadium, have partnered with organizations to help combat the unemployment rate in the autism community, and have even leveraged home games and open practices to drive critical funds. The Eagles Autism Challenge celebrated a record-breaking year in 2025, raising more than \$10 million for the cause and bringing the total raised to \$40 million-plus since 2018.

As an extension of the team's ongoing inclusion efforts, the Eagles launched the state's first girls' high school flag football league in 2022. The

program, which started with 16 schools and now features 1,600 participants throughout the eastern side of Pennsylvania, contributed to the PIAA's decision to designate girls' flag football as an emerging sport in Pennsylvania. In September 2024, history was made when the PIAA declared high school girls' flag football an officially sanctioned sport in the Commonwealth.

Building on Smolenski and the team's support around young female athletes, the Eagles forged a partnership with Operation Warm to address the lack of access to essential sports equipment for girls. It led to the formation of a new sports bra line called FLY:FWD, ensuring girls of all ages and backgrounds are properly outfitted for competition.

In 2013, Smolenski helped launch the Eagles Care initiative, which has fostered strategic partnerships with 30 area-based nonprofits in an effort to help strengthen the core work of each charitable organization.

In addition to his leadership roles within the Eagles organization, Smolenski serves as the PHL Sports Advisory Board Chair, Children's Hospital of Philadelphia's Corporate Council co-Chair, is a member of the Greater Philadelphia Chamber of Commerce Board and FM Global Advisory Board, and is involved in the city's FIFA World Cup planning efforts as a member of the Philadelphia Soccer 2026 Board.

Smolenski serves as the vice president and treasurer of the Eagles Autism Foundation, as well as treasurer of the Eagles Charitable Foundation, which provides area-based children with greater access to vision care.

Before joining the Eagles, Smolenski served as chief financial officer for the International Hockey League, where he oversaw all league financial matters and played an integral role in growing the league from 12 to 19 teams.

Smolenski began his career as a public accountant with Arthur Andersen.

An outdoor enthusiast, Smolenski has completed the Detroit, Pittsburgh, and Boston Marathons. He earned a bachelor's degree in biology from Amherst College and a master's degree in accounting from the University of Hartford.

Don and his wife, Karen, have two sons, Jake and Shane.

HOWIE ROSEMAN

EXECUTIVE VICE PRESIDENT/GENERAL MANAGER

NFL Experience: 26th Year (26th with Eagles)

College: University of Florida, Fordham Law School Hometown: Brooklyn, NY

SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX) NFL EXECUTIVE OF THE YEAR: 2017 (SPORTING NEWS, PFWA), 2022 (PFWA)

The architect of the **Super Bowl LII** and **Super Bowl LIX** Championship rosters, Executive Vice President/General Manager **Howie Roseman** is in his 26th season with the Philadelphia Eagles. After working his way up through the franchise's football operations and scouting departments, the two-time **NFL Executive of the Year** has cemented himself as one of the most accomplished and respected front office visionaries in the game.

Roseman is the fifth general manager to win Super Bowls with multiple quarterbacks, along with Pro Football Hall of Famers **Bobby Beathard**, **Al Davis**, **Ozzie Newsome** and **George Young**. He and Newsome are the only general managers to preside over two Super Bowl victories with a different head coach and quarterback in each season (the only one to do so within eight seasons). One of two general managers to win multiple Super Bowls and **NFL Executive of the Year** awards from the Pro Football Writers of America (also **George Young**), Roseman joins **Bill Belichick**, **Kevin Colbert** and **Brett Veach** as the only general managers with at least three Super Bowl berths and two championships since the league's salary cap was introduced in 1994.

Roseman has greatly impacted decades of sustained success in Philadelphia, as his roster-building prowess has been instrumental in the Eagles maintaining perennial postseason contention. Since he was hired in 2000, Philadelphia ranks second in the NFL in playoff appearances (17), playoff games (35) and playoff victories (20), while totaling a division-best 11 NFC East crowns with the second-most conference title games (eight) and third-most Super Bowl trips (XXXIX, LII, LVII, LIX) in the league. Only three general managers have captured division championships with four head coaches since the 1970 NFL merger – Roseman, **Al Davis** and **Jerry Jones**.

Owning the highest winning percentage (.614, 110-69-1 from 2013-14, 2016-present) ever by an Eagles general manager with personnel authority (including de facto general managers), Roseman has revitalized the team's

football operations with a collaborative and progressive approach to roster building and player development. In his 11 years at the helm, Philadelphia has eight playoff appearances with five division crowns (2013, 2017, 2019, 2022, 2024), three conference titles (2017, 2022, 2024) and two Super Bowl Championships (LII, LIX). Notably, the Eagles are one of just three clubs with postseason berths in seven of the last eight campaigns.

Having made four consecutive playoff trips, including two Super Bowls, Philadelphia has recorded the third-best winning percentage (.706, 48-20) in the NFL since 2021. Roseman has protected the short-term and long-term outlook of the franchise through innovative decision making, signing a multitude of impact players through extensions and free agency while infusing a wave of foundational talent through the NFL Draft. Furthermore, over the last four seasons, 16 players have collected 27 Pro Bowl accolades, while 11 players have garnered 18 All-Pro honors from the *Associated Press*.

In 2024, Roseman constructed one of the greatest rosters of the NFL's salary cap era. Featuring a number of outstanding individual performances, the Eagles tied an NFL record with 18 regular-season and postseason wins, including a 40-22 victory against the Kansas City Chiefs in **Super Bowl LIX**. Roseman became the first general manager in the league's free agency era (since 1993) to sign an AP NFL Offensive Player of the Year finalist (winner) and AP NFL Defensive Player of the Year finalist in the same offseason. He also drafted two AP NFL Defensive Rookie of the Year finalists. In addition, Philadelphia's offensive line, which paved the way for several NFL and team rushing records, saw all five of its starters receive AP All-Pro votes.

Roseman played a pivotal role in ensuring the success of the Eagles' **Super Bowl LII**-winning team in 2017. Faced with season-ending injuries to a handful of key players, his focused leadership and in-season roster management helped navigate Philadelphia to its first Super Bowl title. In doing

so, Roseman became the third general manager to win a Super Bowl with a quarterback who started three-or-fewer games in the regular season.

The Eagles' track record of excellence under Roseman has created opportunities for numerous personnel executives to step into senior roles with other clubs as well, including two general managers (**Andrew Berry** and **Joe Douglas**) and four assistant general managers (**Brandon Brown, Ian Cunningham, Catherine Hickman** and **Andy Weidl**) over the last seven years.

Roseman, who served as Executive Vice President of Football Operations from 2015-18 before adding the title of General Manager in 2019, is responsible for the personnel and scouting staffs and oversees all areas of football operations, including but not limited to sports medicine and performance, analytics, football administration, football technology and player development. Under his guidance, and in concert with the vision created by Chairman and Chief Executive Officer **Jeffrey Lurie**, Philadelphia has become one of the NFL's most admired and innovative operations.

Before he was elevated to Executive Vice President of Football Operations, Roseman served as the General Manager from 2010-14. At the time of his promotion, the 34-year-old Roseman was the youngest NFL executive to be named to the post in three decades. He administered an overhaul of the roster in his first year, making it one of the youngest in the league. The revamped Eagles delivered NFC East titles in 2010 and 2013 and sent a conference-high nine players to the Pro Bowl following the 2014 season.

From 2008-09, Roseman managed the college scouting staff, organized and ran draft meetings, and scouted the top college prospects around the country as the vice president of player personnel.

Roseman was named Philadelphia's vice president of football administration (2006-07) after spending three years as the team's director of football administration (2003-05). In that role, he evaluated players around the NFL and for the draft while representing the team on contract, salary cap, and player personnel matters. In 2007, Roseman was invited to participate in the NFL-Stanford Program for managers at the Stanford Graduate School of Business, an NFL program created to develop leaders within the league.

After relentlessly pursuing jobs in NFL front offices, Roseman finally got his foot in the door as an intern with the Eagles, when the team was headquartered at Veterans Stadium. He quickly rose to salary cap staff counsel, a role he held with Philadelphia from 2000-02.

Roseman serves on the General Managers Advisory Committee, which provides feedback and recommendations to the League office and the Competition Committee, ensures the NFL continues to develop pipelines for players, coaches, and front office personnel, and promotes innovation around the game. He also is a member of the Future of Football Advisory Committee, contributing to a panel of executives organized through the Football Operations Innovation Forum to showcase various initiatives.

Roseman, the club's nominee for the 2018 NFL Salute to Service Award, is very active in the Philadelphia community and contributes to a variety of initiatives that involve the military and children. He was named Honorary Commander for the Joint Base McGuire-Dix-Lakehurst for his continued efforts with the military. His charitable endeavors have also benefited the Alex's Lemonade Stand Foundation, the Boys & Girls Clubs of America, and USA Football. In 2024, Roseman was named Most Valuable Philadelphian by the Philadelphia Visitors Center for his contributions to the city. In 2018, the Maxwell Football Club presented him with the Steinberg-DeNicola Humanitarian Award, an annual honor that recognizes an NFL representative who is committed to doing good in their community. In addition, Roseman is a member of the Governing Body of the Global Sports Management Summit.

Born in Brooklyn, NY, Roseman earned his bachelor's degree from Florida before obtaining a J.D. degree from Fordham Law School. He and his wife, Mindy, reside in suburban Philadelphia with their four children.

NICK
SIRIANNI

HEAD COACH

NFL Experience: 17th Year (5th with Eagles)
College: Mount Union Hometown: Jamestown, NY

SUPER BOWL CHAMPION: 2024 (LIX)

The steward of one of the most dominant eras in franchise history that includes the **Super Bowl LIX** Championship, **Nick Sirianni** is in his fifth campaign as head coach of the Philadelphia Eagles with a 48-20 record, which marks the third-highest career winning percentage (.706) in the Super Bowl Era (min. 50 games). Among Super Bowl-winning head coaches, only **John Madden** (.759, 1969-78) and **Vince Lombardi** (.738, 1959-67 and 1969) have won at a greater clip than Sirianni, who became the first head coach in NFL history to earn four postseason appearances, two conference titles and a Super Bowl Championship in the first four years of their career.

A product of a family of football coaches and educators, Sirianni developed a curriculum for sustaining a winning culture that is rooted in three defining principles – *tough*, *detailed* and *together*. Embracing these values, the Eagles are one of just four teams with playoff berths in each of the last four seasons (Sirianni is the fifth Super Bowl Era head coach to make four straight postseason trips to start their career), including record-breaking performances that resulted in Super Bowl LVII and LIX appearances (only head coach in team history to reach the Super Bowl multiple times).

Sirianni, who registered the second-most wins ever by a head coach in their first four years at the helm, has guided Philadelphia to the third-best winning percentage in the league since he was hired during the 2021 off-season. In that span, the Eagles are first in rushing touchdowns (108), second in rushing offense (153.9 ypg), third in points per game (26.7) and third-down conversion rate (45.3 pct.), fourth in red zone efficiency (61.7 pct.) and sixth in total offense (367.6 ypg). Additionally, Philadelphia is fourth in sacks (183) and total defense (316.2 ypg) over the last four seasons.

Under Sirianni’s leadership, 16 players have combined for 27 Pro Bowl selections, along with 11 players collecting 18 All-Pro honors. Moreover, the Eagles’ success has led to three of Sirianni’s top lieutenants being hired as head coaches after their stints with Philadelphia – **Jonathan Gannon** (Cardinals), **Kellen Moore** (Saints) and **Shane Steichen** (Colts).

The 2024 season culminated with the second Super Bowl title in franchise history, as Sirianni navigated the Eagles to a 40-22 victory against the Kansas City Chiefs in **Super Bowl LIX**. Philadelphia, which scored the most points (145) in NFL postseason history, finished 18-3 on the year, including a club-record-tying 14-3 mark and team-best 10-game winning streak in the regular season. One of three head coaches to advance to two Super Bowls and win the Lombardi Trophy in their first four seasons (also **Joe Gibbs** and **Mike Tomlin**), Sirianni became the fourth head coach in NFL history to lead their team to an 18-win campaign, joining **Bill Belichick** (2007 Patriots), **Mike Ditka** (1985 Bears) and **Bill Walsh** (1984 49ers) in that category.

Sirianni presided over an Eagles offense that set a league record with 3,866 rushing yards in the regular season and playoffs, including the most combined rushing yards ever by an individual from **Saquon Barkley** (2,504), who was the *Associated Press* NFL Offensive Player of the Year. Powered by an offensive line that saw each of its five starters receive All-Pro votes, Barkley, an AP NFL MVP finalist, entered the 2,000-yard rushing club as its ninth member with his league-leading 2,005 yards in the regular season.

Philadelphia became the second team in history to feature the NFL’s rushing champion while showcasing the league’s top-ranked defense (278.4 ypg) in 2024. The Eagles, who led the NFL in total defense for the first time since 1991, ranked first in passing defense (174.2 ypg) and defensive points

allowed per game (16.9) as well. **Zack Baun**, who transitioned to inside linebacker in the offseason, was voted an *AP* NFL Defensive Player of the Year finalist after leading the team with 150 tackles and five forced fumbles.

Sirianni also supported Super Bowl LIX MVP **Jalen Hurts** to one of the most efficient seasons of his NFL tenure, as Hurts produced career highs in passer rating (103.7) and completion percentage (68.7 pct.) while pacing all quarterbacks with 14 rushing touchdowns in the regular season. In 15 starts after the bye week (including playoffs), Hurts had 36 total touchdowns (19 passing, 17 rushing) against four giveaways with a 112.5 passer rating.

In 2023, Sirianni directed Philadelphia to an 11-6 record and a playoff bid, with the Eagles ranking among the league’s top 10 in scoring (seventh, 25.5 ppg), total yards (eighth, 354.4 ypg), rushing yards (eighth, 128.8 ypg), third-down conversion rate (third, team-record 48.0 pct.) and red zone efficiency (ninth, 60.0 pct.). Hurts established franchise records in both total yards (4,463) and total touchdowns (38) while also tying for the most rushing scores (15) ever by an NFL quarterback. **A.J. Brown** finished with the most receptions (106) ever by an Eagles wide receiver and set an NFL record by posting at least 125 receiving yards in six consecutive games.

Guiding Philadelphia to a Super Bowl LVII appearance, Sirianni helped the team win 14 regular-season games for the first time in history in 2022. Furthermore, the Eagles developed franchise records in points (477), total touchdowns (59), scrimmage touchdowns (57), rushing touchdowns (32, tied for fourth in NFL history), first downs (385), red zone efficiency (67.8 pct.) as well as defensive sacks (70, tied for third in NFL history). The club also finished among the top three teams in total offense (third, 389.1 ypg) and total defense (second, 301.5 ypg) for the first time since the 1970 merger.

Sirianni helped many players have prominent showings in 2022, including Hurts, who finished as the *AP* NFL MVP runner-up after totaling 35 touchdowns with a 101.5 passer rating, and Brown, who broke a 38-year franchise record with 1,496 receiving yards. Philadelphia also became the first club to feature four different players with 10-plus sacks in the same year.

In 2021, Sirianni’s debut season as a head coach elicited a 9-8 record and postseason berth, with the Eagles capturing seven of the last 10 regular-season games to clinch a spot in the playoffs. The team ranked first in the NFL in rushing yards (2,715) and rushing touchdowns (25) and tallied the second-most defensive touchdowns (five) in the league.

Prior to arriving in Philadelphia, Sirianni spent three years (2018-20) as the Indianapolis Colts’ offensive coordinator. In that span, the Colts ranked sixth in third-down conversion rate (43.4 pct.), seventh in red zone efficiency (63.9 pct.), and eighth in points per game (25.9). Indianapolis’ offense also surrendered the second-fewest sacks (71) during that stretch.

Five offensive players received Pro Bowl recognition during Sirianni’s time with the Colts, including **Quenton Nelson** (2019-21), **Ryan Kelly** (2020-21), **Jack Doyle** (2019), **Eric Ebron** (2018), and **Andrew Luck** (2018), who was named *AP* NFL Comeback Player of the Year after finishing second in touchdown passes (39) in 2018. Notably, Nelson was first-team All-Pro all three seasons, while Kelly was a second-team All-Pro selection in 2020.

Before he joined Indianapolis, Sirianni was a member of the Los Angeles/San Diego Chargers’ staff for five years (2013-17), including two seasons as the wide receivers coach (2016-17). In 2017, he assisted the top-ranked passing offense (276.9 ypg), which featured a career year from **Keenan Allen**, who was selected as the *AP* NFL Comeback Player of the Year after ranking third in receiving yards (career-high 1,393) that season.

From 2014-15, Sirianni coached the Chargers’ quarterbacks and helped **Philip Rivers** earn consecutive Pro Bowls while averaging 30 passing touchdowns per season. In 2015, Rivers led the league with a team-record 437 completions for a career-high 4,792 yards (second in the NFL and 10 yards shy of the club record). In 2013, when Sirianni originally joined the Chargers as an offensive quality control coach, Rivers threw for 4,478 yards and 32 touchdowns and recorded a career-high 69.5 completion percentage (378-of-544) en route to *AP* NFL Comeback Player of the Year honors.

Sirianni began his NFL coaching career with the Kansas City Chiefs, serving as the wide receivers coach (2012) and offensive quality control coach (2009-11). He also worked with the Chiefs’ quarterbacks in 2010 and helped **Matt Cassel** earn his first career Pro Bowl after totaling 3,116 passing yards,

EAGLES AUTISM FOUNDATION

Established on September 8, 2019, the Eagles Autism Foundation was formed to centralize the team's autism activities into one organization, while strengthening its charitable mission to assist individuals and families affected by autism. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for cutting-edge autism research and care programs has grown exponentially, raising more than \$40 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 31 people living in the United States are on the autism spectrum. Autism is a complex neurological and developmental condition that expresses itself differently in each individual. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community, the Eagles Autism Foundation is turning awareness into action.

Eagles Autism Challenge

presented by Lincoln Financial

\$40 Million+ Raised Since 2018

The Eagles Autism Challenge presented by Lincoln Financial is a one-day bike ride and family-friendly 5K run/walk that donates 100% of participant-raised funds to institutions conducting innovative autism research and care.

The event features three cycling routes – Wawa Classic 30-Mile Ride, Wawa Shorti 10-Mile Ride, Wawa Junior 10-Mile Youth Ride – the FreedomPay 5K Run/Walk and the West Sensory Walk, which offers families and participants a shorter course around the outside perimeter of Lincoln Financial Field.

Due in large part to proceeds raised by the team's signature event, the Eagles Autism Foundation has funded 169 research projects and community grants that specialize in treating and caring for those in the autism community.

EAGLES SENSORY RESOURCES

On August 4, 2019, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home venue.

Certified by KultureCity as a sensory-inclusive stadium, Lincoln Financial Field's Eagles Sensory Room presented by Children's Hospital of Philadelphia (CHOP) promotes a calm and supportive environment for guests and fans with sensory challenges.

In 2024, the Mobile Sensory Unit was introduced in partnership with CHOP and KultureCity to provide another resource for individuals with sensory needs. In addition, Lincoln Financial Field provides trained staff, visual schedules, fidgets, and visual prompts to assist those in need, along with sensory bags that can be requested at fan services.

INCLUSION AT SUPER BOWL LIX

Inclusion and accessibility were brought to the NFL's biggest stage during the week of Super Bowl LIX in New Orleans.

In collaboration with KultureCity and the NFL, All Abilities Clinics were built into the Super Bowl Experience at the New Orleans Ernest N. Morial Convention Center. Trained volunteers from local universities provided real-time assistance for the 450 attendees, while also becoming ambassadors for the autism community.

In partnership with KultureCity, 1,200 Eagles co-branded sensory bags were made available to attendees at both the New Orleans Ernest N. Morial Convention Center and Caesars Superdome.

Guests attending Super Bowl LIX at Caesars Superdome had the opportunity to access two sensory rooms during the game, along with a visual schedule created by the Eagles Autism Foundation's Board Certified Behavior Analyst.

The Eagles Radiothon presented by Firsttrust Bank and The Green Family Foundation is a multi-day auction held on SportsRadio 94WIP that offers fans the opportunity to bid on exclusive sports and entertainment experiences involving their favorite Eagles players and 94WIP radio personalities.

Designed specifically for guests with autism and developmental disabilities, Eagles Huddle Up for Autism has raised more than \$1 million for CHOP's Center for Autism Research since 2009. The family-friendly event is held annually at Lincoln Financial Field.

Through the Eagles Autism Foundation 50/50 Raffle presented by WBE Line Services, one lucky fan at every Eagles home game walks away a winner, with the other half supporting the Eagles Autism Foundation. The largest single-game jackpot – \$421,800 – occurred during the 2025 NFC Championship Game.

EAGLES AUTISM FOUNDATION PRACTICE JERSEYS

The Eagles dedicate a training camp practice each season to the Eagles Autism Foundation by wearing specially designed jerseys to elevate the Foundation's platform and showcase the team's commitment of turning autism awareness into action.

The exclusive, one-of-a-kind jerseys feature Energy Green numbers and nameplates, along with the Eagles Autism Foundation logo prominently displayed on the shoulder. Each jersey is signed by the player who wore it and is then auctioned through the annual Eagles Radiothon.

My Cause My Cleats is an NFL initiative that empowers players to showcase their commitment to the causes they support through creative artwork and custom designs on their game cleats.

TRAINING CAMP PUBLIC PRACTICE

Training camp practice at Lincoln Financial Field is open to the public and serves as a vehicle to drive critical funds for autism research and care. All ticket proceeds from the practice, yard sale, and merchandise benefit the Eagles Autism Foundation.

TEAM 62 AT THE OCEAN DRIVE

To help raise funds for the Eagles Autism Foundation, Eagles Legend Jason Kelce hosts an annual celebrity bartending event at the Ocean Drive in Sea Isle City, NJ. Through its first five years, the event has raised more than \$2.4 million for cutting-edge autism research and care programs.

NEURODIVERSE GAMEDAY STAFF

To further the team's ongoing commitment to creating employment opportunities for the autism community, the Eagles Autism Foundation matches skills and abilities with the most appropriate gameday roles. Resources, such as a Board Certified Behavior Analyst, are provided to the more than 30 individuals involved in the employment program.

ALL ABILITIES CLINICS

The All Abilities Clinics presented by Nouryon consist of football, cheer, drum, STEM, and fitness classes that offer accessible elements to members of the autism community. Clinics enable those with special needs to participate alongside their peers. The experience includes trained volunteers, smaller group sizes, a visual schedule for step-by-step guidance on how to prepare, and quiet spaces.

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have been a constant presence in the community. Their commitment to supporting the Greater Philadelphia region, and Eagles fans everywhere, authentically presents itself in everything the team does off the field. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles set out to inspire, motivate, and effect change.

By leveling the playing field for children of all ages and backgrounds, forming collaborative partnerships with area-based nonprofits, providing grants to social justice organizations, and more, the Eagles are giving back in tangible ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically designated as off-days for members of the team.

Many Eagles players use this opportunity to give back to residents of the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact on the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each group's work is being amplified. Since 2013, the team has welcomed 30 organizations to the Eagles Care family.

EAGLES EYE MOBILE

The Eagles Eye Mobile, powered by Vision To Learn, travels to communities throughout the School District of Philadelphia, offering comprehensive eye exams and, if needed, prescription eyeglasses and follow-up care at no cost to families.

The Eagles Eye Mobile, which was founded by former Eagles Pro Bowl guard Jermaine Mayberry, has impacted more than one million children in the Greater Philadelphia area since 1996.

EAGLES SOCIAL JUSTICE FUND OF THE PHILADELPHIA FOUNDATION

Established in 2018, the Eagles Social Justice Fund was formed to provide grants to organizations that work to reduce barriers to equal opportunity, with a specific focus on education, community and police relations, improving the criminal justice system, and other initiatives targeting poverty, racial equality, and workforce development in the Greater Philadelphia area.

The Eagles Social Justice Leadership Council is led by a panel of players and club executives who work to identify potential grant recipients and secure contributions to the Fund, which is built through one-to-one matching donations by players and the club.

Through the first seven years, the program has provided area-based organizations with more than \$2.6 million in funding.

The Eagles' anti-gun violence campaign is aimed at combating a serious issue that thousands of Philadelphia residents face in their neighborhoods. In conjunction with local nonprofits and the City of Philadelphia, the team created a resource website, EndPhillyGunViolence.com, which has been designed to aggregate information and steer young people to proven and effective help.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly and setting the next generation up for success on the field.

"FLYING FORWARD" WITH INNOVATION

As part of the team's ongoing commitment to address the disparities in sports equipment for young female athletes, the Eagles and Operation Warm's FLY:FWD sports bra line has made it possible for girls of all ages in the Philadelphia area to compete at the highest level.

Launched in 2023, the FLY:FWD line has been designed specifically for young girls and women competing in sport. The idea to manufacture the innovative product line was originally put into place upon learning that the lack of female sports equipment,

specifically sports bras, is a major barrier to entry and can keep young girls from joining and remaining in sports.

In celebration of National Girls & Women in Sports Day on February 5, 2025, the Eagles expanded their outreach into New Orleans – the site of Super Bowl LIX – by equipping the local Girls on the Run chapter with 216 FLY:FWD sports bras.

The Eagles were the first NFL team to support female athletes through the donation of sports bras.

GIRLS FLAG FOOTBALL INITIATIVE

To support and promote female participation in sport, the Eagles launched the state's first girls high school flag football league in 2022, featuring schools from the Philadelphia Public and Catholic Leagues. Through the first four seasons, the program expanded from 16 teams to 93, with an additional 38 teams in South Jersey.

On September 18, 2025, history was made when the Pennsylvania Interscholastic Athletic Association (PIAA) Board of Directors unanimously declared girls flag football as an officially sanctioned sport in the Commonwealth of Pennsylvania. A sport is considered for sanctioning when it adopts a set of operational and safety standards set forward by a governing body. In the case of girls flag football, it

was required that there be at least 100 participating teams across the state. In the three years leading up to the sport being sanctioned, the Eagles worked collaboratively with the Pittsburgh Steelers to meet the state's 100 team threshold.

The Eagles' support of girls flag football also includes the facilitation of learn-to-play, coaching, and officiating clinics, a girls flag sports performance combine, girls flag jamborees, and the girls flag championships, which have been hosted at the NovaCare Complex and Lincoln Financial Field.

The Eagles Girls Flag Football League has more than 1,600 participants across the eastern side of Pennsylvania.

YOUTH FOOTBALL ACADEMY

Held at locations across Pennsylvania and New Jersey, the Eagles Youth Football Academy is designed for all skill levels and delivers the ultimate Eagles youth football experience. Participants receive instruction and training from Eagles players, team legends, and Eagles Youth Football Academy staff at numerous locations throughout the year.

HIGH SCHOOL COACH OF THE WEEK

High school football coaches from the Philadelphia region are recognized each week during the season for their character, integrity, community support, commitment to player health and safety, and on-field success. Honorees are then considered for the Eagles High School Coach of the Year Award and the national Don Shula NFL High School Coach of the Year Award.

MOBILE JUNIOR PRO CLINICS

Mobile Junior Pro is an introductory level football clinic for elementary and middle school-aged children. The clinics emphasize skill development and fundamentals, aiming to introduce the sport of football in a fun and engaging way. Clinics often travel to schools, making them accessible to a wide range of children and feature appearances by Eagles players and team legends.

The bond shared between the Eagles and their fans has always been special. It is a relationship that has existed for generations and is one that continues to grow stronger with each passing year.

The Eagles, inspired by the year-round support they receive, make it a priority to further connect with their global fanbase through unique experiences and programs.

Annual events like Women’s Football Festival, Yoga on the Field, the Eagles Draft Party, Kids Club activities, and training camp public practices, among others, have brought fans and their families closer to the team. These touchpoints have even expanded internationally through the NFL’s Global Markets Program where the team has built brand awareness and fandom in Australia, Brazil, Ghana, and New Zealand.

On and off the field, throughout the year, in Philadelphia and beyond, the Eagles are proud to celebrate their fans in a variety of ways.

The Eagles’ sustainability journey began in 2003 with the opening of Lincoln Financial Field. Since then, the team’s Go Green program has transformed into a company-wide, internationally recognized effort that works year-round to reduce the organization’s environmental footprint in a financially responsible manner.

With the help of partners and fans, the Eagles have developed a multi-operational action plan that incorporates green energy production, recycling, composting, energy efficiency, ocean conservation, and reforestation, among other ventures.

The Eagles, who wear the color “green” with pride, are committed to serving as proud environmental stewards for a community that gives so much to them throughout the year.

PARTNERS IN SUSTAINABILITY

“SUSTAINABLE” SUCCESS

The Eagles are the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

ISO 20121 is an international standard designed to help organizations in the event and hospitality industry integrate sustainability into their management operations.

In June 2024, Lincoln Financial Field received LEED Platinum certification from the U.S. Green Building Council for its commitment to operational sustainability.

Through design, construction, and operation practices that improve environmental and human health, LEED-certified buildings are helping to make the world a more sustainable place.

In September 2020, Lincoln Financial Field achieved Global Biorisk Advisory Council (GBAC) STAR accreditation. Under the guidance of GBAC, a Division of ISSA, the worldwide cleaning industry association, Lincoln Financial Field was recognized for implementing stringent protocols in the areas of cleaning, disinfection, and infectious disease prevention.
