**POST-GAME NOTES**

- Following an Eagles defensive stand on Tampa Bay's first possession, **Cameron Latu** blocked a punt by Buccaneers P **Riley Dixon** that was recovered by **Sydney Brown** and returned 35 yards for a TD, giving Philadelphia a 7-0 advantage. The play marked the Eagles' special teams' third consecutive opponent drive that resulted in a blocked kick (including 2 returned for TDs).

  - Philadelphia is the fourth NFL team since at least 2000 to produce a FG block returned for a TD and a punt block returned for a TD in the same season (only team

to do so in two straight games), joining the 2012 Seahawks, 2008 Cardinals, and 2001 Titans.

- According to *Elias Sports*, the last NFL team to return a blocked kick (FG or punt) for a TD in consecutive games was the Eagles during Weeks 4-5 in 2014.
- Brown's return TD was Philadelphia's first blocked punt returned for a TD since 12/6/15 at New England, when **Najee Goode** recovered a **Chris Maragos** block and returned it 24 yards. It was the Eagles' first blocked punt since 10/10/21 at Carolina (**T.J. Edwards**).
- Philadelphia followed its special teams score with an 8-play, 73-yard drive that resulted in a 2-yard TD pass from **Jalen Hurts** to **Dallas Goedert** that made it a 14-0 game in the first quarter. This is the first time Goedert has scored TDs in back-to-back games since Weeks 9-10 in 2022.
  - Hurts completed 5-of-6 attempts for 33 yards and 1 TD while producing a 28-yard run that positioned the Eagles' offense at the 2-yard line, setting up the red zone TD.
- **Dallas Goedert's** 5-yard TD on a shovel pass from **Jalen Hurts** in the second quarter gave Philadelphia a 21-3 advantage, finishing a 6-play, 67-yard possession. The score marked Goedert's second career multi-TD game, having previously caught 2 TDs on 12/5/21 at N.Y. Jets.
  - Hurts completed 5-of-5 throws for 65 yards and 1 TD during the series, including a pair of 20+ yard completions to Goedert (22) and **DeVonta Smith** (20). Hurts combined for 98 yards and 2 TDs with a 143.4 rating on 10-of-11 (90.9%) passing through two drives.
