SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX)

Jeffrey Lurie embarks on his 33rd season as Chairman and Chief Executive Officer of the Philadelphia Eagles. Lurie purchased the franchise on May 6, 1994, and implemented an organizational infrastructure that reflects the pride and passion of the region, where tireless work ethic and innovation deeply coincide with consistent results. His commitment to excellence has launched an outstanding era of success, including the first two Super Bowl Championships (**Super Bowl LII** and **Super Bowl LIX**) in team history.

Today regarded among the most prominent franchises in professional sports, the Philadelphia Eagles began their ascent during the first full year of Lurie's ownership in 1995 and have become a customary presence in the NFL's postseason. Impressively, nearly one-third of the club's seasons have resulted in NFC Championship Game or Super Bowl berths since 2001.

Only five owners in NFL history have earned 300 combined victories, four Super Bowl trips and multiple championships — Lurie, **Pat Bowlen**^{HOF}, **Al Davis**^{HOF}, **Robert Kraft** and **Dan Rooney**^{HOF}. Moreover, Lurie is one of six owners to win Super Bowls with multiple head coaches, joining Bowlen^{HOF}, Davis^{HOF}, **Edward DeBartolo Jr.**^{HOF}, **Jerry Jones**^{HOF} and Rooney^{HOF}.

Lurie is one of two owners since the 1970 merger to earn 20 playoff appearances. With the eighth-most wins (315) by an owner in that period (second-most since the league's salary cap began in 1994), he has recorded the fourth-best winning percentage (.569) of the post-merger era.

The Philadelphia Eagles are one of three teams to register four Super Bowl appearances since 2004 (XXXIX, LII, LVII and LIX), including trips in two of the last four seasons. Lurie has navigated the Eagles to eight conference championship games (including six games at home), which leads the NFC (second overall) dating back to 2001. The Eagles have also won 12 NFC East Championships under his direction (most in the division since 2001).

Lurie's blueprint for success has had a profound impact on the field, leading to a greater overall winning percentage, more playoff games (39) and more playoff wins (21) than all of the franchise's previous ownership groups combined. That model, however, is not just limited to football, as the Philadelphia Eagles organization has embraced a championship mentality in all aspects of its operations, especially in the community.

LURIE AUTISM INSTITUTE

A thoughtful and compassionate philanthropist who has family ties to autism, Lurie is dedicated to raising critical funds for the developmental disorder and has leveraged his resources as a professional sports owner to turn autism awareness into action.

In 2025, Lurie and his family donated \$50 million to launch the Lurie Autism Institute in partnership with Children's Hospital of Philadelphia (CHOP) and Penn Medicine. The gift is the largest single donation to U.S. academic medical centers focused on autism research across the lifespan.

Rooted in a collaboration between world-renowned centers in pediatric research and academic medicine, the Institute was established to spark a new era of scientific discovery in autism.

The Lurie family's investment strategically leverages CHOP and Penn Medicine's strengths in autism research and translation to seek answers to the most challenging and important questions around the condition. By investing in cutting-edge science and the infrastructure to move it forward, the landmark partnership is committed to understanding autism more deeply and transforming what's possible for individuals and families worldwide.

Powered by Penn Medicine and CHOP's long history of partnering on transformative breakthroughs for the care of both children and adults, the In-

EAGLES AUTISM FOUNDATION

In 2019, Lurie launched the team’s philanthropic arm, the Eagles Autism Foundation, which has raised more than \$57 million for cutting-edge autism research and care programs.

Through the Eagles Autism Foundation, the organization is viewed as an international resource for the autism community. Most notably, the Eagles Autism Challenge presented by Lincoln Financial, the Foundation’s annual cycling and 5K run/walk event, contributes 100 percent of the participant-raised funds toward groundbreaking and exploratory work in the field of autism, including a record \$16 million-plus in 2026.

To ensure the most transformational projects are being supported, Lurie organizes an internationally recognized peer review panel each year to evaluate and approve submitted proposals. A total of 223 research projects and community grants have been funded to date.

The Eagles were one of the first sports franchises in the country to build a state-of-the-art sensory room in their stadium, Lincoln Financial Field, which is certified as sensory inclusive thanks to a partnership with KultureCity. The Eagles also became the first professional sports team to partner with Popcorn for the People, a nonprofit organization devoted to creating meaningful employment for those with autism and developmental disabilities.

\$100 MILLION CHARITABLE COMMITMENT

Through his family’s unprecedented \$50 million gift to help launch the Lurie Autism Institute and the \$57 million raised by the Eagles Autism Foundation, Lurie’s philanthropic impact has contributed more than \$100 million to the global autism research and care community.

In July 2026, Lurie was presented with the distinguished Stuart Scott ENSPIRE Award for his lifelong commitment to supporting individuals and families affected by autism. The honor was part of the ESPY’s Sports Humanitarian Awards category, which celebrates changemakers in the sports industry who are making a positive impact on society.

Lurie was presented the Commitment to Cures Award by the American Brain Foundation in 2019 for his ongoing work to find cures for neurodevelopmental diseases and disorders.

Lurie is also a director of the Nancy Lurie Marks Family Foundation, which commits significant resources to autism research and education. Furthermore, he established the Lurie Family Foundation to strengthen efforts toward autism research.

CHAMPIONS IN THE COMMUNITY

Under Lurie’s ownership, the Philadelphia Eagles’ dedication to serving the community has manifested in a variety of ways, as the organization continues to set a powerful example within professional sports.

In 2022, the Eagles Girls’ Flag Football League was launched to promote

and increase participation across all sports for young girls and women. What originally started with 16 schools from the Philadelphia Public and Catholic Leagues now features more than 1,600 girls throughout the eastern side of Pennsylvania. After being designated as an emerging sport in the Commonwealth in 2023, girls’ flag football was declared an officially sanctioned sport in Pennsylvania at the high school level in September 2024. As part of an ongoing commitment to increase access to girls’ youth sports, the Eagles became the first NFL club to launch an innovative sports bra line – FLY:FWD – designed specifically for young girls and women competing in sport.

In response to the COVID-19 pandemic, the Eagles contributed \$1 million in donations to help relief efforts in Philadelphia, focusing on providing critical assistance to the well-being of essential healthcare workers and their families, as well as supporting local businesses. The Eagles also hosted numerous community blood drives and vaccination clinics at Lincoln Financial Field. Additionally, Lurie personally donated \$1 million to Penn Medicine to establish the COVID-19 Immunology Defense Fund.

The Eagles Social Justice Council, which is a committee comprised of select players and team staff, has awarded more than \$2.9 million to local organizations focused on anti-gun violence efforts, education, mentorship, criminal justice reform, reentry programs and workplace development.

Lurie was recognized by the Fritz Pollard Alliance with the Paul “Tank” Younger Award in 2018, which is annually granted to an NFL executive, coach, or owner who promotes gender and racial diversity. As a result of his efforts to foster civic responsibility throughout the organization, Lurie was the recipient of the Torch of Liberty Award conferred by the Anti-Defamation League of Philadelphia and was honored by Philadelphia’s Operation Understanding, an acclaimed group that advances interracial harmony among future leaders of the African American and Jewish communities.

Go Green, a groundbreaking initiative launched by the Eagles in 2003, aims to reduce the organization’s footprint on the environment and creates programs that improve quality of life in the Philadelphia area. Lincoln Financial Field is one of only two previously constructed NFL stadiums to achieve Platinum status – the highest of all LEED certifications – and the only one that is more than 10 years old. Lincoln Financial Field has earned three levels of accreditation from USGBC, going from LEED Silver in 2013 to LEED Gold in 2018 to LEED Platinum in 2024. On top of that, the Eagles became the first professional sports team in the world to receive the prestigious ISO 20121 Event Sustainability Management System certification.

The Eagles have conducted community-changing playground builds in Philadelphia since 1997, maintaining a belief that every child deserves a safe place to play and learn. Each year, the entire organization – players, coaches, and staff – contributes to the installation of a large play structure, a mini-turf field, colorful murals, and mosaic tables at a designated playground.

One of Lurie’s first philanthropic endeavors was the creation of the Eagles Youth Partnership in 1995. For 20 years, the organization’s charitable wing served more than one million at-risk children in the Philadelphia region, focusing on health and education programming. In 2015, Lurie oversaw the Eagles Youth Partnership’s transition to the Eagles Charitable Foundation. Its signature program, the Eagles Eye Mobile, today provides children with greater access to vision care in partnership with Vision To Learn.

In 2011, in acknowledgment of their community efforts as well as their Tackling Breast Cancer and Go Green campaigns, the Eagles were presented with the coveted Sports Team of the Year Award by Beyond Sport.

PROGRESSIVE LEADERSHIP

Widely considered one of the most progressive owners in professional sports, Lurie embraces innovative thought. His commitment to enhancing every element of the organization through forward-thinking decisions has been a hallmark of his tenure as Chairman and Chief Executive Officer.

Lurie invests in both people and ideas. Throughout his ownership, he has gone beyond traditional football practices by focusing on infusing talented individuals from other industries into the Eagles’ business operations. As a result, the Philadelphia Eagles have become a leader in professional sports with regards to gender diversity in the workplace.

The Eagles’ organic effort toward staying ahead of the curve and mining for value where others may not see it has also been fundamental to the football team’s success over the years.

In 2021, Lurie hired a 39-year-old first-time head coach in **Nick Sirianni**. Sirianni became the first head coach in NFL history to start their career with five consecutive postseason appearances, including two conference ti-

The only Eagles head coach with multiple Super Bowl berths (LVII and LIX), Sirianni also registered the second-most wins ever by an NFL head coach through their first five career seasons, including franchise-record-breaking 14-3 campaigns in 2022 and 2024.

Doug Pederson was hired by the Eagles as a first-time head coach in 2016. In his second season at the helm, Pederson led the team to its first Super Bowl Championship in franchise history when the Philadelphia Eagles outdueled the New England Patriots in **Super Bowl LII**.

In 1999, Lurie found a match with former Green Bay Packers quarterbacks coach **Andy Reid**, who at 40 years old took on a lead role for the first time in his career and was the second-youngest head coach in the NFL at the time of his hiring. Reid enjoyed a 14-year stay with Philadelphia (franchise record) and became the winningest head coach (140-102-1, .578 – including playoffs) in Eagles history. Named the 2002 *Associated Press* NFL Coach of the Year, Reid led the team to nine postseasons, which included five conference title games and an appearance in Super Bowl XXXIX.

Lurie’s first head coaching hire, **Ray Rhodes**, came to Philadelphia in 1995 as just the third African American head coach in modern NFL history. In his first season with the Eagles, Rhodes guided the team to a 10-6 record and playoff berth and earned *AP* NFL Coach of the Year honors.

Lurie is the fourth owner in NFL history to have three different head coaches reach the Super Bowl. Overall, each of his first five head coaching hires have earned postseason trips within their first two seasons.

Lurie currently serves on numerous NFL committees, including the Finance Committee, Media Committee, and International Committee.

BUILDING A NEW HOME

After purchasing the Eagles, Lurie recognized that the organization’s facilities needed a total reconstruction, which required the design and relocation of its office headquarters, practice facility, and stadium. He immediately committed to providing the franchise with everything it needed to succeed and constructed two state-of-the-art facilities in South Philadelphia – the Jefferson Health Training Complex (2001) and Lincoln Financial Field (2003).

Although Lincoln Financial Field was erected to house its main tenant, the Philadelphia Eagles, Lurie also created a destination that could hold a wide variety of events. Fittingly, the first ticketed event at the new stadium was a soccer match between Manchester United and FC Barcelona in August 2003, followed by a Bruce Springsteen concert soon after.

Since then, Lincoln Financial Field has evolved with an ever-changing entertainment landscape and underwent a two-year, \$125 million revitalization in February 2012. Over the years, the venue has hosted high-profile events, including sold-out concerts, international soccer matches, WrestleMania XL, the Army-Navy game, NHL Stadium Series, NCAA Men’s Lacrosse Championships, Monster Jam, Temple University football, and many other marquee events. In 2026, Lincoln Financial Field had the distinguished honor of serving as one of 16 North American venues to host the FIFA World Cup.

FILM CAREER

Prior to purchasing the Philadelphia Eagles, Lurie joined General Cinema Corporation, a major movie theater company founded by his grandfather, Philip Smith. Two years later, he started Chestnut Hill Productions and produced a variety of films. In 2008, Lurie established Screen Pass Pictures

PERSONAL

Lurie’s passion and love of sports began when he was a young boy growing up outside of Boston. Lurie became an avid fan of the NFL after watching the first-ever sudden-death overtime NFL Championship between the Baltimore Colts and New York Giants with his father in 1958. Prior to entering business, Lurie served as an adjunct assistant professor of social policy at Boston University.

He earned a B.A. from Clark University, a master’s in psychology from Boston University, and a Ph.D. in social policy from Brandeis University. Lurie served as Clark University’s commencement speaker to the graduating class in May 2019.

Born on September 8, 1951, Lurie has two children and a dog named Sydney. He is married to his wife, Tina. In his free time, he enjoys traveling, golfing, tennis, movies, music, and discovering great restaurants.

DON SMOLENSKI

PRESIDENT

NFL Experience: 29th Year (29th with Eagles)
College: Amherst College Hometown: Pittsford, NY

SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX)

Don Smolenski, now in his 29th season with the organization, was named team president in 2012 after originally joining the team in 1998 as chief financial officer. He served as senior vice president, chief financial officer from 2001-10 and then as the team's chief operating officer from 2010-12.

As president, Smolenski directs the club's business and strategic efforts, including sales, marketing, communications, and operations. He has played a key role in significant projects from the construction of Lincoln Financial Field to the club's award-winning environmental and philanthropic programs.

Smolenski has infused energy and creativity throughout the organization with his engaging leadership style. In 2024, he was recognized by the *Philadelphia Inquirer's* Top Workplaces program in the special awards category for leadership and, in 2015, was named to the Most Admired CEOs list by the *Philadelphia Business Journal*. Under his direction, the Eagles have been a Top Workplace in 2012, 2014, 2016, 2018, 2020, 2022, 2024, and 2026.

Smolenski and the Eagles have celebrated two Super Bowl victories during his time as team president. The Eagles captured their first Lombardi Trophy after defeating the New England Patriots, 41-33, in **Super Bowl LII**, followed by a win over the Kansas City Chiefs, 40-22, in **Super Bowl LIX**.

In his first year as president, Smolenski spearheaded a two-year, \$125 million Lincoln Financial Field revitalization project that added 1,600 seats, HD video boards, and graphics paying tribute to the team's history. In 2019, Smolenski's leadership was instrumental to the Lincoln Financial naming rights extension, which stands as one of the longest stadium naming rights relationships in the NFL. Over the years, Lincoln Financial Field has hosted high-profile events, including sold-out concerts, national and international soccer matches, the NCAA Lacrosse Championships, the Army-Navy Game, the NHL Stadium Series, WrestleMania, Monster Jam, Temple University football, and more. Most notably, Lincoln Financial Field served as one of 16 sites across the United States, Canada, and Mexico to host the prestigious FIFA World Cup in the summer of 2026.

Smolenski plays an important role in the team's environmental initiatives. As a result of their Go Green program, which features the NFL's largest solar array with 10,456 panels, the Eagles have emerged as a leader in environmental stewardship. Lincoln Financial Field is one of only two previously constructed stadiums in the NFL to achieve Platinum status by the U.S. Green Building Council – the highest of all LEED certifications – and the only one that is more than 10 years old.

In 2018, Smolenski helped launch the Eagles Autism Challenge, a one-day bike ride and family-friendly 5K run/walk dedicated to raising funds for cutting-edge autism research and care programs. In 2019, the team's signature fundraising event expanded and led to the formation of the Eagles Autism Foundation, a new charitable endeavor that unified the team's various autism activities into one organization. Through its mission to turn autism awareness into action, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home stadium, have partnered with organizations to help combat the unemployment rate in the autism community, and have even leveraged home games and open practices to drive critical funds. The Eagles Autism Challenge celebrated a record-breaking year in 2026, raising more than \$16 million for the cause and bringing the total raised to \$56 million-plus since 2018.

As an extension of the team's ongoing inclusion efforts, the Eagles launched the state's first girls high school flag football league in 2022. The program, which started with 16 schools and now features more than 1,600 participants across Southeastern Pennsylvania and Southern New Jersey, contributed to the PIAA's decision to designate girls flag football as an emerging sport in Pennsylvania. In September 2024, history was made when the PIAA declared high school girls flag football an officially sanctioned sport in the Commonwealth. Two years later, in May 2026, the NJSIAA voted to sanction girls flag football in New Jersey, a decision that was made in large part to the team's efforts in the tri-state area.

Building on Smolenski and the team's support around young female athletes, the Eagles forged a partnership with Operation Warm to address the lack of access to essential sports equipment for girls. It led to the formation of a new sports bra line called FLY:FWD, ensuring girls of all ages and backgrounds are properly outfitted for competition.

In 2013, Smolenski helped launch the Eagles Care initiative, which has fostered strategic partnerships with 32 area-based nonprofits in an effort to help strengthen the core work of each charitable organization.

In addition to his leadership roles within the Eagles organization, Smolenski serves as the PHL Sports Advisory Board Chair, Children's Hospital of Philadelphia's Corporate Council co-Chair, is a member of the Greater Philadelphia Chamber of Commerce Board and FM Global Advisory Board, and was involved in the city's FIFA World Cup planning efforts as a member of the Philadelphia Soccer 2026 Board.

Smolenski serves as the vice president and treasurer of the Eagles Autism Foundation, as well as treasurer of the Eagles Charitable Foundation, which provides area-based children with greater access to vision care.

Before joining the Eagles, Smolenski served as chief financial officer for the International Hockey League, where he oversaw all league financial matters and played an integral role in growing the league from 12 to 19 teams.

Smolenski began his career as a public accountant with Arthur Andersen.

An outdoor enthusiast, Smolenski has completed the Detroit, Pittsburgh, and Boston Marathons. He earned a bachelor's degree in biology from Amherst College and a master's degree in accounting from the University of Hartford.

Don and his wife, Karen, have two sons, Jake and Shane.

HOWIE ROSEMAN

EXECUTIVE VICE PRESIDENT/GENERAL MANAGER

NFL Experience: 27th Year (27th with Eagles)

College: University of Florida, Fordham Law School Hometown: Brooklyn, NY

SUPER BOWL CHAMPION: 2017 (LII), 2024 (LIX) NFL EXECUTIVE OF THE YEAR: 2017 (SPORTING NEWS, PFWA), 2022 (PFWA)

The architect of the **Super Bowl LII** and **Super Bowl LIX** Championship rosters, Executive Vice President/General Manager **Howie Roseman** is in his 27th season with the Philadelphia Eagles. After working his way up through the franchise's football operations and scouting departments, the two-time **NFL Executive of the Year** has cemented himself among the most accomplished and respected front office visionaries in the game.

Roseman entered a revered class of executives when he became the fifth general manager with personnel authority to win Super Bowls with multiple quarterbacks, joining **Bobby Beathard**^{HOF}, **Al Davis**^{HOF}, **Ozzie Newsome**^{HOF} and **George Young**^{HOF}. He and Newsome are the only members of that group to preside over two Super Bowl victories with a different head coach and quarterback each season (**Doug Pederson** with **Nick Foles** in **Super Bowl LII** and **Nick Sirianni** with **Jalen Hurts** in **Super Bowl LIX**). One of two personnel chiefs to win multiple Super Bowls and **NFL Executive of the Year** (2017, 2022) awards from the Pro Football Writers of America (also **George Young**^{HOF}), Roseman stands alongside **Bill Belichick**, **Kevin Colbert** and **Brett Veach** as the four general managers with at least three Super Bowl berths and two championships since the league's salary cap was introduced in 1994.

Operating in a period defined by its competitive balance, Roseman is one of the most effective general managers of the salary cap era. His .614 (131-82-1) career winning percentage as Philadelphia's top decision-maker ranks fourth in the NFL since 1994 (including playoffs), behind **Bill Belichick** (.676), **Kevin Colbert** (.638) and **Bill Polian**^{HOF} (.627) (min. 200 games). In addition, Roseman has logged the fifth-most postseason victories (10, tied) by a general manager in the salary cap era, trailing only **Bill Belichick** (31), **Brett Veach** (17), **Kevin Colbert** (15) and **Ozzie Newsome**^{HOF} (15).

In his 12 seasons with roster control, Roseman has flourished as the winningest general manager with the highest combined winning percentage

in franchise history, constructing nine playoff teams (most ever by an Eagles general manager) that have achieved six division crowns (2013, 2017, 2019, 2022, 2024, 2025), three conference pennants (2017, 2022, 2024) and two Super Bowl Championships (LII, LIX). Since the 1970 NFL merger, only three executives with general manager functions have earned division titles with four head coaches – Roseman, **Al Davis**^{HOF} and **Jerry Jones**^{HOF}.

Revitalizing the team's football operations with a collaborative and progressive approach to roster building and player development, Roseman has guided the Eagles to the most postseason appearances (eight, tied) in the league since 2016 (one of three clubs with berths in eight of the last nine seasons). He also ranks second among general managers in playoff games (16), playoff wins (10, tied), division titles (five) and total victories (111), while advancing to the third-most conference championship games (three, tied) in that span. Furthermore, Roseman has contracted the most individual Pro Bowl selections (27) by a general manager over the last 10 seasons, which includes recognition at every offensive and defensive position.

Having made five straight postseason trips (tied for a franchise record), Philadelphia has posted the second-best winning percentage (.694, 59-26) in the NFL since 2021. Roseman has guarded the short-term and long-term outlook of the Eagles through shrewd decision making, signing a multitude of impact players through extensions and free agency while infusing a wave of foundational talent through the NFL Draft and the trade market. During that stretch, 18 players have collected 33 Pro Bowl accolades, while 13 players have garnered 20 All-Pro honors from the *Associated Press*.

In 2025, Roseman became just the seventh general manager in history to have each of the first two picks from the same draft class collect first-team AP All-Pro distinction within their first two seasons – **Quinyon Mitchell** (22nd-overall pick in 2024) and **Cooper DeJean** (40th-overall pick in 2024).

Mitchell and DeJean were also the first such pairing to accomplish that feat after contributing to a Super Bowl Championship (LIX) as starters.

Roseman designed one of the greatest rosters of the salary cap era in 2024. Featuring a bevy of outstanding individual performances, Philadelphia tied an NFL record with 18 combined wins, including a 40-22 victory against the Kansas City Chiefs in **Super Bowl LIX**. Roseman became the first general manager in the league’s free agency era (since 1993) to sign an AP NFL Offensive Player of the Year finalist (**Saquon Barkley** – winner) and AP NFL Defensive Player of the Year finalist (**Zack Baun**) in the same offseason.

In 2022, Roseman assembled a record-breaking unit that advanced to Super Bowl LVII after producing the most regular-season wins (14) in Eagles history. Roseman, who is the only general manager to lead Philadelphia to multiple trips to the Super Bowl (LII, LVII, LIX), became the first NFL general manager to make it back to the Super Bowl with a different head coach and quarterback within five years of their previous appearance.

Roseman played a pivotal role in ensuring the success of the Eagles’ **Super Bowl LII**-winning team in 2017. Faced with season-ending injuries to a handful of key players, his focused leadership and in-season roster management helped navigate Philadelphia to the first Super Bowl title in franchise history. In doing so, Roseman became just the third general manager to win a Super Bowl with a quarterback who started three-or-fewer games in the regular season (also **Bobby Beathard**^{HOF} and **George Young**^{HOF}).

The Eagles’ track record of excellence under Roseman has created opportunities for numerous personnel executives to step into senior roles with other clubs as well, including three general managers (**Andrew Berry**, **Joe Douglas** and **Ryan Grigson**) and four assistant general managers (**Brandon Brown**, **Ian Cunningham**, **Catherine Hickman** and **Andy Weidl**).

Roseman, who served as Executive Vice President of Football Operations from 2015-18 before adding the title of General Manager in 2019, is responsible for the personnel and scouting staffs and oversees all areas of football operations, including but not limited to sports medicine and performance, analytics, football administration, football technology and player development. Under his guidance, and in concert with the vision created by Chairman and Chief Executive Officer **Jeffrey Lurie**, Philadelphia has become one of the NFL’s most admired and innovative operations.

Before he was elevated to Executive Vice President of Football Operations, Roseman served as the General Manager from 2010-14. At the time of his promotion, the 34-year-old Roseman was the youngest NFL executive to be named to the post in three decades. He administered an overhaul of the roster in his first year, making it one of the youngest in the league. The revamped Eagles delivered NFC East titles in 2010 and 2013 and sent a conference-high nine players to the Pro Bowl following the 2014 season.

From 2008-09, Roseman managed the college scouting staff, organized and ran draft meetings, and scouted the top college prospects around the country as the vice president of player personnel.

Roseman was named Philadelphia’s vice president of football administration (2006-07) after spending three years as the team’s director of football

administration (2003-05). In that role, he evaluated players around the NFL and for the draft while representing the team on contract, salary cap, and player personnel matters. In 2007, Roseman was invited to participate in the NFL-Stanford Program for managers at the Stanford Graduate School of Business, an NFL program created to develop leaders within the league.

After relentlessly pursuing jobs in NFL front offices, Roseman finally got his foot in the door as an intern with the Eagles, when the team was headquartered at Veterans Stadium. He quickly rose to salary cap staff counsel, a role he held with Philadelphia from 2000-02.

Since he was hired in 2000, Philadelphia ranks second in playoff games (36) and playoff victories (20) and third in playoff appearances (18), while totaling a division-best 12 NFC East crowns with the second-most conference title games (eight) and third-most Super Bowl berths (XXXIX, LII, LVII, LIX).

Roseman serves on the General Managers Advisory Committee, which provides feedback and recommendations to the League office and the Competition Committee, ensures the NFL develops pipelines for players, coaches, and front office personnel, and promotes innovation around the game.

Roseman, the club's nominee for the 2018 NFL Salute to Service Award, is very active in the Philadelphia community and contributes to a variety of initiatives that involve the military and children. He was named Honorary Commander for the Joint Base McGuire-Dix-Lakehurst for his continued efforts with the military. His charitable endeavors have also benefited the Alex's Lemonade Stand Foundation, the Boys & Girls Clubs of America, and USA Football. In 2024, Roseman was named Most Valuable Philadelphian by the Philadelphia Visitors Center for his contributions to the city. In 2018, the Maxwell Football Club presented him with the Steinberg-DeNicola Humanitarian Award, an annual honor that recognizes an NFL representative who is committed to doing good in their community. In addition, Roseman is a member of the Governing Body of the Global Sports Management Summit.

Roseman earned his bachelor's degree from Florida before obtaining a J.D. degree from Fordham Law School. He and his wife, Mindy, reside in suburban Philadelphia with their four children.

NICK SIRIANNI
HEAD COACH

NFL Experience: 18th Year (6th with Eagles)
College: Mount Union Hometown: Jamestown, NY

SUPER BOWL CHAMPION: 2024 (LIX)

The steward of one of the most dominant eras in franchise history that includes the **Super Bowl LIX** Championship, **Nick Sirianni** is in his sixth campaign as head coach of the Philadelphia Eagles with a 59-26 record, which marks the third-highest career winning percentage (.694) in the Super Bowl Era (min. 50 games). Among Super Bowl-winning head coaches, only **John Madden**^{HOF} (.759, 1969-78) and **Vince Lombardi**^{HOF} (.738, 1959-67 and 1969) have won at a greater clip than Sirianni, who is the first head coach to earn five postseason appearances with three division crowns, two conference titles and a Super Bowl victory in the first five years of their career.

A product of a family of football coaches and educators, Sirianni developed a curriculum for sustaining a winning culture that is rooted in three defining principles — *tough*, *detailed* and *together*. Embracing these values, Sirianni became just the fourth head coach in the Super Bowl Era to begin their career with five consecutive playoff berths (the Eagles are one of only two teams with postseason trips in each of the last five years), joining **Bill Cowher**^{HOF} (1992-96 Steelers), **John Harbaugh** (2008-12 Ravens) and **Chuck Knox** (1973-77 Rams). Furthermore, he is the first head coach in franchise history to achieve multiple Super Bowl appearances (LVII and LIX).

With the second-most wins through five career seasons in NFL history, Sirianni has guided Philadelphia to the second-best winning percentage in the league since 2021. He also became the third all-time head coach to win 11-plus games four times in their first five years with a team, along with **Tony Dungy**^{HOF} (2002-06 Colts) and **Andy Reid** (1999-2003 Eagles).

During his five seasons at the helm, the Eagles rank first in the NFL in rushing touchdowns (125), second in rushing offense (146.5 ypg), third in red zone efficiency (63.0 pct.), fourth in points per game (25.8) and fifth in third-down conversions (43.8 pct.). Additionally, Philadelphia is fourth in passing yards allowed per game (203.5), fifth in total defense (315.8 ypg), sixth in sacks (225) and seventh in opponent scoring (21.0 ppg) in that span.

Under Sirianni's leadership, a league-high-tying 18 players have totaled 33 Pro Bowl selections (including 13 players who garnered their first career Pro Bowl nods), along with 13 players totaling 20 All-Pro honors. Moreover, the Eagles' success has led to three of Sirianni's top lieutenants being hired as head coaches after their stints with Philadelphia — **Jonathan Gannon** (Cardinals), **Kellen Moore** (Saints) and **Shane Steichen** (Colts).

Sirianni was the only head coach to repeat as a division winner for the 2025 season, as the Eagles became the first team to win back-to-back NFC East pennants in over two decades (2001-04 Eagles) with a fourth consecutive 11-win campaign (tied for the longest streak in the league since 2022). Philadelphia led the NFL in red zone offense (franchise-record 70.5 pct.) as **Dallas Goedert** set the team record for touchdowns (11) by a tight end. On defense, **Cooper DeJean** and **Quinyon Mitchell** received first-team All-Pro accolades after helping the Eagles finish first in opponent completion percentage (56.8 pct.) and second in opponent passer rating (75.4).

The 2024 season culminated with the second Super Bowl title in franchise history, as Sirianni navigated the group to a 40-22 victory against the Kansas City Chiefs in **Super Bowl LIX**. Philadelphia, which scored the most points (145) in NFL postseason history, finished 18-3 on the year, including a club-record-tying 14-3 mark and team-best 10-game winning streak in the regular season. One of three head coaches to advance to two Super Bowls and hoist the Lombardi Trophy in their first four seasons (also **Joe Gibbs**^{HOF}

and **Mike Tomlin**), Sirianni became the fourth head coach in NFL history to lead their team to an 18-win campaign, joining **Bill Belichick** (2007 Patriots), **Mike Ditka**^{HOF} (1985 Bears) and **Bill Walsh**^{HOF} (1984 49ers).

Sirianni presided over an Eagles offense that set a league record with 3,866 rushing yards in the regular season and playoffs, including the most combined rushing yards ever by an individual from **Saquon Barkley** (2,504), who was the *Associated Press* NFL Offensive Player of the Year. Powered by an offensive line that saw each of its five starters receive All-Pro votes, Barkley, an AP NFL MVP finalist, entered the 2,000-yard rushing club as its ninth member with his league-leading 2,005 yards in the regular season.

Philadelphia became the second team in history to feature the NFL's rushing champion while showcasing the league's top-ranked defense (278.4 ypg) in 2024. The Eagles, who led the NFL in total defense for the first time since 1991, ranked first in passing defense (174.2 ypg) and defensive points allowed per game (16.9) as well. **Zack Baun**, who transitioned to inside linebacker in the offseason, was voted an AP NFL Defensive Player of the Year finalist after leading the team with 150 tackles and five forced fumbles.

Sirianni also supported Super Bowl LIX MVP **Jalen Hurts** to one of the most efficient seasons of his NFL tenure, as Hurts produced career highs in passer rating (103.7) and completion percentage (68.7 pct.) while pacing all quarterbacks with 14 rushing touchdowns in the regular season. In 15 starts after the bye week (including playoffs), Hurts had 36 total touchdowns (19 passing, 17 rushing) against four giveaways with a 112.5 passer rating.

In 2023, Sirianni directed Philadelphia to an 11-6 record and a playoff bid, with the Eagles ranking among the league's top 10 in scoring (seventh, 25.5 ppg), total yards (eighth, 354.4 ypg), rushing yards (eighth, 128.8 ypg), third-down conversion rate (third, team-record 48.0 pct.) and red zone efficiency (ninth, 60.0 pct.). Hurts established franchise records in both total yards (4,463) and total touchdowns (38) while also tying for the most rushing scores (15) ever by an NFL quarterback. **A.J. Brown** finished with the most receptions (106) ever by an Eagles wide receiver and set an NFL record by posting at least 125 receiving yards in six consecutive games.

Guiding Philadelphia to a Super Bowl LVII appearance, Sirianni helped the team win 14 games for the first time in history in 2022. The Eagles developed franchise records in points (477), total touchdowns (59), scrimmage touchdowns (57), rushing touchdowns (32, tied for fourth in NFL history), as well as defensive sacks (70, tied for third in NFL history). The club also finished among the top three teams in total offense (third, 389.1 ypg) and total defense (second, 301.5 ypg) for the first time since the 1970 merger.

Sirianni helped many players have prominent showings in 2022, including Hurts, who finished as the AP NFL MVP runner-up after totaling 35 touchdowns with a 101.5 passer rating, and Brown, who broke a 38-year franchise record with 1,496 receiving yards. Philadelphia also became the first club to feature four different players with 10-plus sacks in the same year.

In 2021, Sirianni's debut season as a head coach elicited a 9-8 record and postseason berth, with the Eagles capturing seven of the last 10 regular-season games to clinch a spot in the playoffs. The team ranked first in the NFL in rushing yards (2,715) and rushing touchdowns (25) and tallied the second-most defensive touchdowns (five) in the league.

Prior to arriving in Philadelphia, Sirianni spent three years (2018-20) as the Indianapolis Colts' offensive coordinator. In that span, the Colts ranked sixth in the league in third-down conversion rate (43.4 pct.), seventh in red zone efficiency (63.9 pct.), and eighth in points per game (25.9).

Five offensive players received Pro Bowl recognition during Sirianni's time with the Colts, including **Quenton Nelson** (2019-21), **Ryan Kelly** (2020-21), **Jack Doyle** (2019), **Eric Ebron** (2018), and **Andrew Luck** (2018), who was named AP NFL Comeback Player of the Year after finishing second in touchdown passes (39) in 2018. Notably, Nelson was first-team All-Pro all three seasons, while Kelly was a second-team All-Pro selection in 2020.

Before he joined Indianapolis, Sirianni was a member of the Los Angeles/San Diego Chargers' staff for five years (2013-17), including two seasons as the wide receivers coach (2016-17). In 2017, he assisted the top-ranked passing offense (276.9 ypg), which featured a career year from **Keenan Allen**, who was selected as the AP NFL Comeback Player of the Year after ranking third in receiving yards (career-high 1,393) that season.

From 2014-15, Sirianni coached the Chargers' quarterbacks and helped **Philip Rivers** earn consecutive Pro Bowls while averaging 30 passing touchdowns per season. In 2015, Rivers led the league with a team-record 437 completions for a career-high 4,792 yards (second in the NFL and 10 yards shy of the club record). In 2013, when Sirianni originally joined the Chargers as an offensive quality control coach, Rivers threw for 4,478 yards and 32 touchdowns and recorded a career-high 69.5 completion percentage (378-of-544) en route to AP NFL Comeback Player of the Year honors.

Sirianni began his NFL coaching career with the Kansas City Chiefs, serving as the wide receivers coach (2012) and offensive quality control coach (2009-11). He also worked with the Chiefs' quarterbacks in 2010 and helped **Matt Cassel** earn his first career Pro Bowl after totaling 3,116 passing yards, 27 touchdowns and a career-high 93.0 passer rating.

Before the NFL, Sirianni spent five years at the collegiate level as the wide receivers coach at Indiana University of Pennsylvania (2006-08) and defensive backs coach at Mount Union (2004-05), his alma mater, helping the Purple Raiders capture a national title during the 2005 season.

A native of Jamestown, NY, Sirianni was a three-year starter at wide receiver at Mount Union, winning three NCAA Division III National Championships (2000-02) and earning All-Ohio Athletic Conference honors as a senior after catching a career-high 13 touchdowns. He also played one year in the Atlantic Indoor Football League with the Canton Legends in 2005.

Sirianni's brother, Mike, is the head coach at Washington & Jefferson College. His winning percentage of .805 (202-49) is the best in school history and currently ranks seventh among all NCAA football coaches with at least 10 years of experience (fourth-best mark in Division III). His brother, Jay, is a former head coach at their alma mater, Southwestern Central High School (Jamestown, NY), where their father, Fran, also spent nine years in the same position and served as the school's head track coach for 46 seasons. Under Jay, Southwestern Central won New York state titles in 2008 and 2009.

Sirianni and his wife, Brett, have two sons, Jacob and Miles, and one daughter, Taylor.

Established in September 2019, the Eagles Autism Foundation was formed to centralize the team's autism activities into one organization and to strengthen its charitable mission of assisting individuals and families affected by autism. Led by Chairman and CEO Jeffrey Lurie, the team's commitment to raising funds for cutting-edge autism research and care programs has grown exponentially, raising more than \$56 million since launching the Eagles Autism Challenge in May 2018.

The Centers for Disease Control and Prevention estimates that one in 31 people living in the United States are on the autism spectrum. While it has become one of the fastest-growing developmental disorders in the country, autism has historically been underfunded, misunderstood, and under-researched.

By delivering the necessary resources to leading institutions, and through year-round fundraising efforts that inspire and engage the community, the Eagles Autism Foundation is turning awareness into action.

LURIE AUTISM INSTITUTE

Jeffrey Lurie and his family donated a \$50 million gift to Children's Hospital of Philadelphia (CHOP) and Penn Medicine in June 2025 to launch the Lurie Autism Institute.

It is the largest single donation to U.S. academic medical centers focused on autism research across the lifespan.

The Lurie family's investment strategically leverages CHOP and Penn Medicine's strengths in autism research and translation to seek answers to the most challenging and important questions around autism.

This first-of-its-kind Institute aims to be a global hub for autism research that connects scientists, clinicians, families, students, and donors.

Powered by CHOP and Penn Medicine's long history of partnering on

transformative breakthroughs for the care of both children and adults, the Lurie Autism Institute is poised to make fresh discoveries that will reshape how we understand and treat autism.

Through his family's unprecedented \$50 million gift to help launch the Lurie Autism Institute and the \$56 million raised by the Eagles Autism Foundation, Lurie's philanthropic impact has contributed more than \$100 million to the global autism research and care community.

In July 2026, as part of ESPYS Week, Lurie was presented with the distinguished Stuart Scott ENSPIRE Award for his lifelong commitment to supporting individuals and families affected by autism.

Eagles Autism Challenge

presented by Lincoln Financial

\$56 Million+ Raised Since 2018

The Eagles Autism Challenge presented by Lincoln Financial is a one-day bike ride and family-friendly 5K run/walk that donates 100% of participant-raised funds to institutions conducting innovative autism research and care.

The event features the Wawa Hoagie 10-Mile Ride, the FreedomPay 5K Run/Walk, and the West Sensory Walk, which offers families and participants a shorter, sensory-friendly course around the perimeter of Lincoln Financial Field.

Participants return to a post-ride celebration, co-presented by West, featuring family-friendly activations, catering, hospitality, an awards ceremony, and closing remarks from Jeffrey Lurie.

Since the inaugural event in 2018, more than 240,000 donations have contributed to the \$56 million raised through the Eagles Autism Foundation.

SCIENTIFIC REVIEW PANEL

Institutions around the globe are invited to submit proposals every year to the Eagles Autism Foundation for grant research funding. Each project is carefully reviewed by an independent team of scientists who have demonstrated a clear and steadfast commitment to autism research, services, and programs.

Research proposals are evaluated by Dr. Emanuel DiCicco-Bloom, the lead scientific advisor from the Rutgers Health Robert Wood Johnson Medical School, and a team of investigators who are individually selected based on the areas represented in the proposals.

Due in large part to proceeds raised by the Eagles Autism Challenge, a total of 223 research projects and community grants that specialize in treating and caring for those in the autism community have been funded.

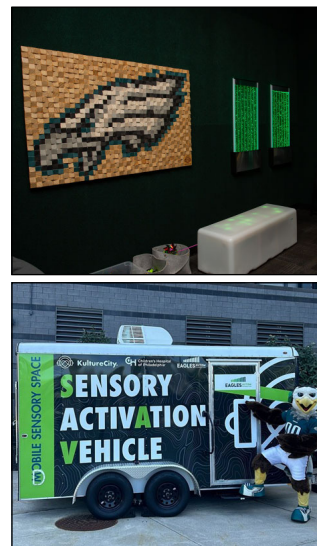

EAGLES SENSORY ROOMS

On August 4, 2019, the Eagles became one of the first sports franchises to build a state-of-the-art sensory room in its home venue.

Certified by KultureCity as a sensory-inclusive stadium, Lincoln Financial Field's Eagles Sensory Room presented by Children's Hospital of Philadelphia (CHOP) promotes a calm and supportive environment for guests and fans with sensory challenges.

In 2024, the Mobile Sensory Unit was introduced in partnership with CHOP and KultureCity to provide another resource for individuals with sensory needs. In addition, Lincoln Financial Field has trained staff to assist guests and provides sensory bags, visual schedules, and inclusion resources generously sponsored by the Five Below Foundation.

SENSORY RESOURCES

In May 2026, the Eagles Autism Foundation partnered with Tork, an Essity brand, to expand accessibility efforts at Lincoln Financial Field. Three Lower Suites restrooms located near the stadium's sensory room underwent a series of major renovations to better serve guests of all abilities.

Upgraded restrooms now feature adult changing tables, higher urinal and stall dividers for enhanced privacy and comfort, warm lighting and soothing music to build a calming ambiance, and more enhanced accessibility features.

INCLUSION AT SUPER BOWL LX

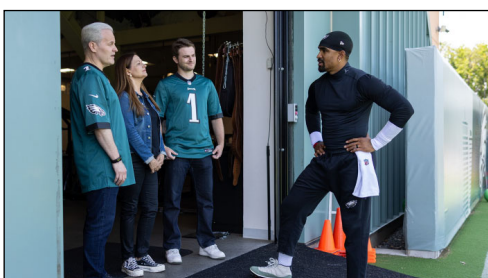

After setting the standard at Super Bowl LIX, the Eagles Autism Foundation delivered inclusion and accessibility on the NFL's biggest stage at Super Bowl LX with the All Abilities football clinic.

In collaboration with KultureCity and Toyota, the All Abilities Clinics presented by Nouryon were built into the NFL Super Bowl Experience at the Moscone Center.

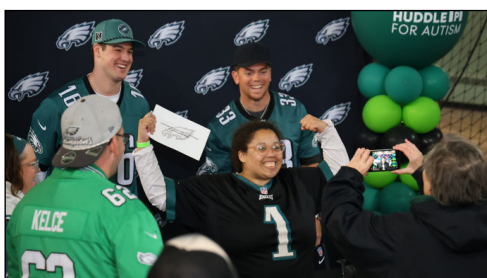

Trained volunteers from UC Berkeley and UC San Francisco provided real-time assistance for the 300 attendees.

The Eagles Radiothon presented by Firsttrust Bank and The Green Family Foundation is a multi-day auction held on SportsRadio 94WIP that offers fans the opportunity to bid on exclusive sports and entertainment experiences involving their favorite Eagles players and 94WIP radio personalities.

Eagles Huddle Up for Autism is an annual event designed specifically for guests with autism and developmental disabilities. Since 2009, Huddle Up has raised more than \$1.25 million for the Center for Autism Research at Children's Hospital of Philadelphia.

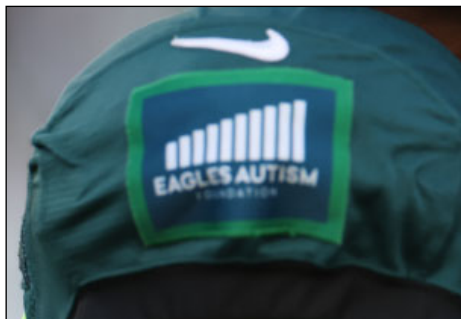

Through the Eagles Autism Foundation 50/50 Raffle presented by WBE Line Services, one lucky fan at every Eagles home game walks away a winner, with the other half supporting the Eagles Autism Foundation. The largest jackpot in 2025 – \$309,930 – occurred during the home opener.

EAGLES AUTISM FOUNDATION PRACTICE JERSEYS

The Eagles dedicate a training camp practice each season to the Eagles Autism Foundation by wearing specially designed jerseys to elevate the Foundation's platform and showcase the team's commitment of turning autism awareness into action.

The exclusive, one-of-a-kind jerseys feature Energy Green numbers and nameplates, along with the Eagles Autism Foundation logo prominently displayed on the shoulder. Each jersey is signed by the player who wore it and is then auctioned through the annual Eagles Radiothon.

My Cause My Cleats is an NFL initiative that empowers players to showcase their commitment to the causes they support through creative artwork and custom designs on their game cleats.

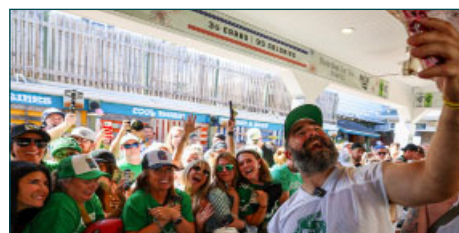

TRAINING CAMP PUBLIC PRACTICE

The Eagles Training Camp practice at Lincoln Financial Field is open to the public and serves as a vehicle to drive critical funds for autism research and care. All ticket, yard sale, and merchandise proceeds benefit the Eagles Autism Foundation.

TEAM 62 AT THE OCEAN DRIVE

To help raise funds for the Eagles Autism Foundation, Eagles Legend Jason Kelce hosts an annual celebrity bartending event at the Ocean Drive in Sea Isle City, NJ. Through its first six years, the event has raised more than \$3.69 million for cutting-edge autism research and care programs.

NEURODIVERSE GAMEDAY STAFF

To further the team's ongoing commitment to creating employment opportunities for the autism community, the Eagles Autism Foundation matches skills and abilities with the most appropriate gameday roles. Resources are provided to the more than 40 individuals involved in the employment program.

ALL ABILITIES CLINICS

The All Abilities Clinics presented by Nouryon consist of football, cheer, and drum classes that are designed to promote accessibility for all. STEM clinics presented by Bentley Systems are also available as an additional option for those who wish to participate alongside their peers. The experience includes trained volunteers, smaller group sizes, a visual schedule, and quiet spaces.

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became Chairman and CEO in 1994, the Eagles have been a constant presence in the community. Their commitment to supporting the Greater Philadelphia region – and Eagles fans everywhere – authentically presents itself in everything the team does off the field. Under Lurie's leadership, and by leveraging their platform as a professional sports team, the Eagles set out to inspire, motivate, and effect change.

By leveling the playing field for children of all ages and backgrounds, forming collaborative partnerships with area-based nonprofits, providing grants to social justice organizations, and more, the Eagles are giving back in tangible ways that have the power to positively impact the lives of individuals everywhere.

The team takes great pride in serving its fans, local nonprofits, and the region at large, because to the Eagles, making the community proud is just as important off the field as it is on it.

COMMUNITY TUESDAYS

During the NFL season, Tuesdays are typically designated as off-days for the players.

Many of them use this opportunity to give back to residents of the Greater Philadelphia region through the Eagles Care Community Tuesday initiative.

Eagles players visit Children's Hospital of Philadelphia, elementary schools, food pantries, retirement facilities, Eagles Care partners, and more.

EAGLES CARE

EAGLES CARE

The Eagles Care initiative, built off the belief that strong nonprofits build strong communities, connects the team with local organizations and works to strengthen each partner's impact on the community.

Through these partnerships, the Eagles devote their attention, support, and resources to ensure that each group's work is being amplified. Since 2013, the team has welcomed 32 organizations to the Eagles Care family.

PLAYGROUND BUILD

The annual Playground Build transforms Philadelphia schoolyards into safe and supportive environments for students to play, learn, and dream.

The Eagles partner with Mural Arts Philadelphia to bring beauty, creativity, and opportunity to public schools in need across the city.

Enhancements include murals, new benches and tables, all-inclusive play structures, and colorful gardens.

A FAN OF CHANGE

In 2018, the Eagles Social Justice Fund was established as a collaborative effort between players and club executives to reduce barriers to equal opportunity, with a focus on education, community and police relations, criminal justice reform, and other initiatives addressing poverty, racial equality, and workforce development in the Greater Philadelphia area.

Now known as A Fan of Change, the initiative has granted nearly \$2.9 million to organizations working to build stronger, safer, and more resilient communities. Through awareness, investment, player engagement, and community and fan activation, the Eagles support efforts across four key pillars: youth sports, violence prevention, mental health support, and mentorship.

YOUTH FOOTBALL

The Eagles are dedicated to inspiring the next generation of Eagles fans by increasing participation in youth football across the Greater Philadelphia area.

The team accomplishes this through program development, equipment donations, and financial support. League platforms (NFL PLAY 60, NFL FLAG, Eagles Football Academy, 7v7 Tournaments) and grassroots partnerships (Leveling the Playing Field, Every Kid Sports, Positive Coaching Alliance) ensure that the game is being taught properly and setting the next generation up for success on the field.

"FLYING FORWARD" WITH INNOVATION

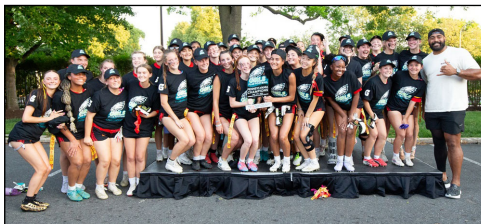

As part of the team's ongoing commitment to address the disparities in sports equipment for young female athletes, the Eagles and Operation Warm's FLY:FWD sports bra line has made it possible for girls of all ages in the Philadelphia area to compete at the highest level.

Launched in 2023, the FLY:FWD line has been designed specifically for young girls and women competing in sport. The idea

to manufacture the innovative product line was originally put into place upon learning that the lack of female sports equipment, specifically sports bras, is a major barrier to entry and can keep young girls from joining and remaining in sports.

The Eagles were the first NFL team to support female athletes through the donation of sports bras.

GIRLS FLAG FOOTBALL

To support female participation in sport, the Eagles launched the state's first girls high school flag football league in 2022, featuring schools from the Philadelphia Public and Catholic Leagues.

Today, the Eagles Girls Flag Football League has more than 1,600 participants across Southeastern Pennsylvania and Southern New Jersey.

In September 2024, history was made when the Pennsylvania Interscholastic Athletic Association (PIAA) unanimously declared girls flag football an officially sanctioned sport in the Commonwealth of Pennsylvania. Two years later, in May 2026, the New Jersey State

Interscholastic Athletic Association (NJIAA) voted to sanction girls flag football as well, a decision that was made in large part to the team's promotional efforts in the tri-state area.

The Eagles' support of girls flag football also includes the facilitation of learn-to-play, coaching, and officiating clinics, a girls flag sports performance combine, girls flag jamborees, and the girls flag championships, which have been hosted at the Jefferson Health Training Complex and Lincoln Financial Field.

The team has holistically supported the expansion of girls flag football over the years by meeting a variety of needs to help grow the game.

YOUTH FOOTBALL ACADEMY

Held at locations across Pennsylvania and New Jersey, the Eagles Youth Football Academy is designed for all skill levels and delivers the ultimate Eagles youth football experience. Participants receive instruction and training from Eagles players, team legends, and Eagles Youth Football Academy staff at numerous locations throughout the year.

HIGH SCHOOL COACH OF THE WEEK

High school football coaches from the tri-state region are recognized each week during the season for their character, integrity, community support, commitment to player health and safety, and on-field success. Honorees are then considered for the Eagles High School Coach of the Year Award and the national Don Shula NFL High School Coach of the Year Award.

MOBILE JUNIOR PRO CLINICS

Mobile Junior Pro is an introductory level football clinic for elementary and middle school-aged children. The clinics emphasize skill development and fundamentals, aiming to introduce the sport of football in a fun and engaging way. Clinics often travel to schools, making them accessible to a wide range of children and feature appearances by Eagles players and team legends.

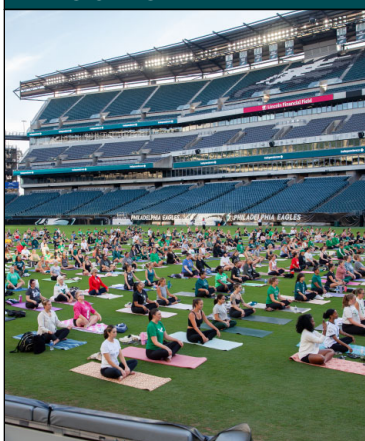

The bond shared between the Eagles and their fans has always been special. It is a relationship that has existed for generations and is one that continues to grow stronger with each passing year.

The Eagles, inspired by the year-round support they receive, make it a priority to connect with their global fanbase through unique experiences and programs.

Annual events like Yoga on the Field, youth football and junior cheer clinics, Kids Club activities, the fantasy football draft party, and Eagles Training Camp public practices, among others, have brought fans and their families closer to the team. These touchpoints have even expanded internationally through the NFL's Global Markets Program, where the team has built brand awareness and fandom in Australia, Brazil, Ghana, and New Zealand.

On and off the field, throughout the year, in Philadelphia and beyond, the Eagles are proud to celebrate their fans in a variety of ways.

GO GREEN

The Eagles' sustainability journey began in 2003 with the opening of Lincoln Financial Field. Since then, the team's Go Green initiative has transformed into a company-wide, internationally recognized program that works year-round to reduce the organization's carbon footprint in an environmentally friendly way.

With the help of partners and fans, the Eagles have developed a multi-operational action plan that incorporates green energy production, recycling, composting, energy efficiency, ocean conservation, and reforestation, among other ventures.

The Eagles, who wear the color "green" with pride, are committed to serving as proud environmental stewards for a community that gives so much to them throughout the year.

PARTNERS IN SUSTAINABILITY

"SUSTAINABLE" SUCCESS

In November 2025, the Eagles and the National Marine Sanctuary Foundation teamed up to support the National Oceanic and Atmospheric Administration's Stellwagen Bank National Marine Sanctuary Shearwater Tagging Project. The "Birds Supporting Birds" initiative studies great shearwater seabirds for their role as indicators of ecosystem health and climate impacts.

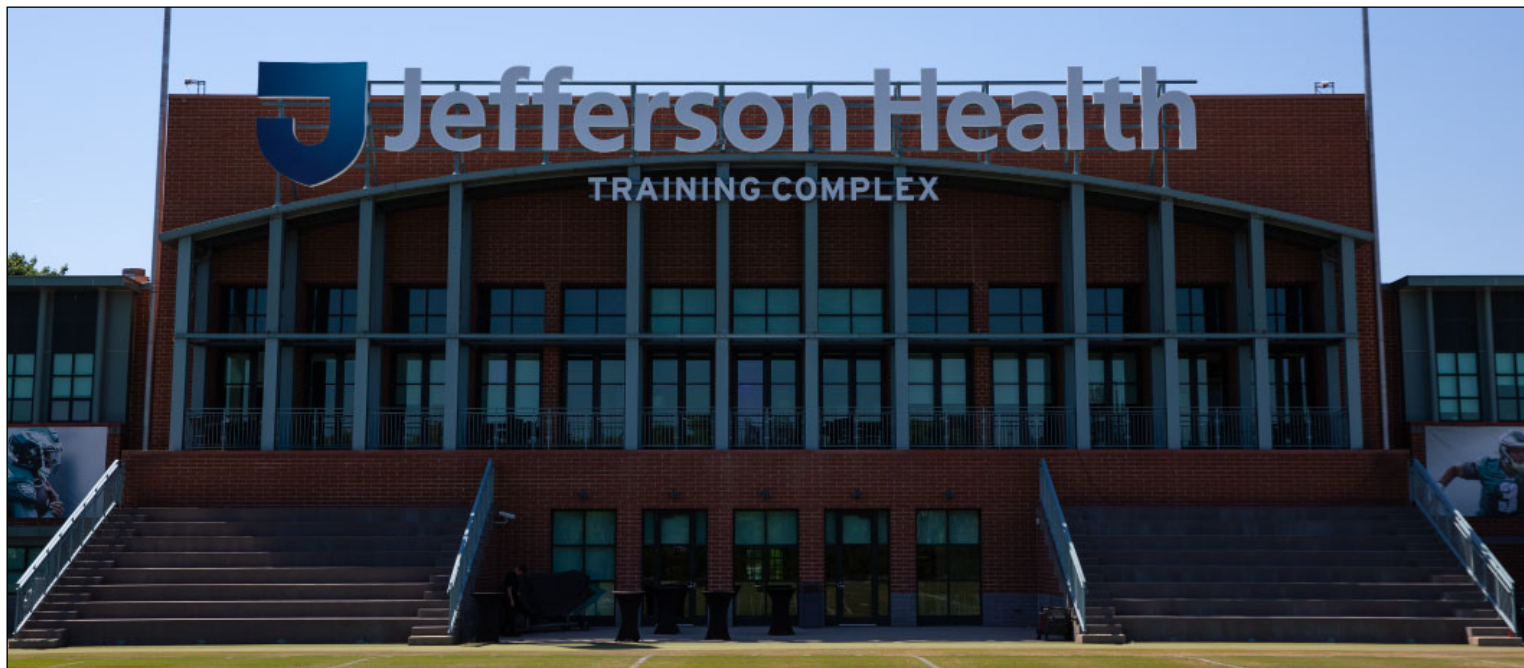

In June 2024, Lincoln Financial Field received LEED Platinum status – the highest of all LEED certifications – from the U.S. Green Building Council for its commitment to operational sustainability. Through design, construction, and operational practices that improve environmental and human health, LEED-certified buildings are helping to make the world a more sustainable place.

In September 2020, Lincoln Financial Field achieved Global Biorisk Advisory Council (GBAC) STAR accreditation. Under the guidance of GBAC, a Division of ISSA, the worldwide cleaning industry association, Lincoln Financial Field was recognized for implementing stringent protocols in the areas of cleaning, disinfection, and infectious disease prevention.
